

## SETTING UP NORTHWEST EMAIL ON YOUR IPHONE

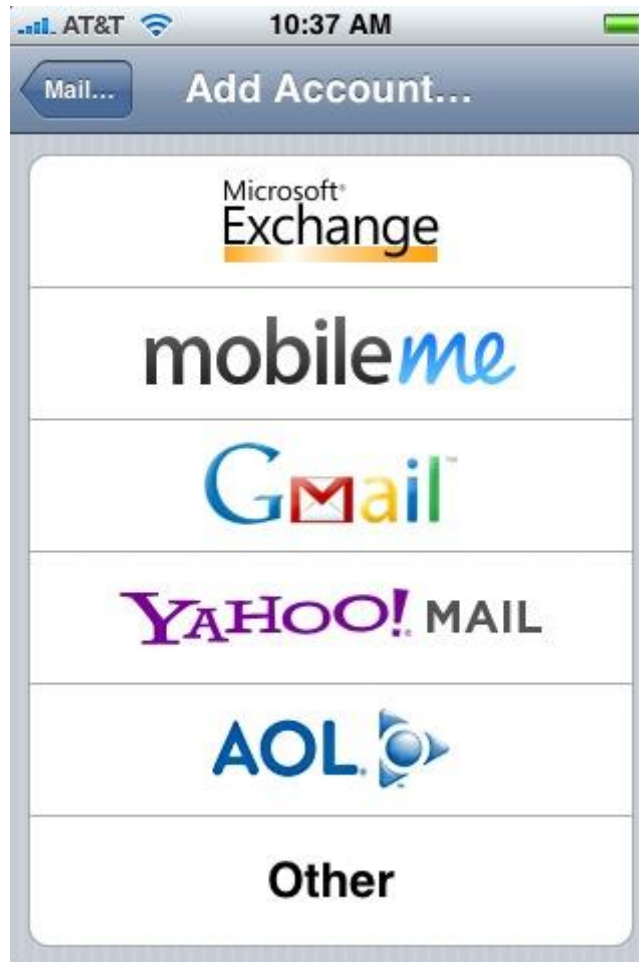

Go to “Settings” and choose “Mail, Contacts, Calendars”

Choose, “add account”

select "Microsoft Exchange"

For “Email” enter your northwest email address. On the “server” line enter “email1.northwestms.edu”. The “domain” is “northwestms.local”. On the username and password settings, enter your username and password. Make sure “Use SSL” is set to “ON”. Then click on “Settings” in the top left corner.

Then choose settings below according to your preferences.
