Complaint and Grievance Procedures

Title IV of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973 as well as Northwest policy prohibit institutional discrimination against students on the basis of race, sex, color, creed, national origin or disability. Students who have reason to believe that their rights under law or campus policy have been denied in such areas as admissions, financial assistance, employment, residence hall assignment, disciplinary actions, or other campus matters may seek to resolve them in the following manner:

1. Address a written statement to the Vice President for Student Services setting forth the grievance and the remedy sought. **Students (particularly those enrolled in eLearning or other distance learning programs) may submit the statement through electronic mail.**

2. The Vice President will forward a copy of the grievance to the appropriate individual within five working days of receipt of the statement.
 - a. If a complaint raises an academic question, it will be forwarded to the dean of the appropriate academic division.
 - b. If the complaint raises a nonacademic matter, it will be forwarded to the administrative head of the appropriate unit.
3. Within five working days after receipt of the statement, the Dean or Administrator shall make initial contact with the complainant. The Dean or Administrator may receive both oral and written presentations and may make independent inquiry. Within fifteen (15) working days after the initial contact or meeting, the Dean or Administrator will make a decision as to the merits of the student's grievance. A copy of the decision will be sent to all parties of the statement and the Vice President for Student Services.

In the event that the student is not satisfied with the resolution of the grievance, appeal may be made to the Vice President responsible for the Unit or Division involved, and then to the President.

Students and members of the public wishing to file a written complaint, as opposed to a formal grievance, should do so with a member of the President's Cabinet, which is composed of the senior administrators of the College. A list of members may be obtained from the President's Office or from any Vice President.

Student Organization Regulations

Northwest Mississippi Community College is committed to the principle that students should be encouraged to participate in worthwhile campus activities. The college experience is enriched by participation in social, spiritual, cultural, physical, educational, and professional programs. To assist student organizations in realizing their full potential, the following guidelines and regulations have been developed.

1. To retain the status of a recognized organization, all student organizations must submit an annual registration form. Any changes in the organization's purpose or constitution must also be submitted at that time.

Registration forms will be distributed to all faculty and staff members early in the fall semester. Forms will also be

available in the Office of Student Services.

2. All student organizations must be recognized by Northwest Mississippi Community College. To receive official recognition, new organizations must submit to the Dean of Students the following information:

- a. Name and phone number of a qualified campus adviser;
- b. Name and phone number of president or other student leader;
- c. Statement of purpose;
- d. Constitution or by-laws of the organization; and
- e. Roster of members.

The Dean of Students will review such materials and determine if the organization's mission and purpose are

congruent with that of Northwest Mississippi Community College. The Dean will also verify that the organization's constitution, statement of purpose, etc. is in compliance with all college rules and regulations. Upon initial approval by the Dean, the organization's materials will be reviewed by the Activities Committee of the College which will grant final approval.

Upon final approval, the Dean of Students will issue a formal letter of recognition or disapproval to the organization. New organizations are recognized on a provisional basis for a two-year period. During this time, the Dean of Students will monitor the new organization so as to assist with the group's growth and development. Organizations on provisional status may lose their recognition should they fail to meet expectations of student organizations or if membership drops to unsustainable levels.

All student organizations of Northwest Mississippi Community College are expected to comply with all student organization and college regulations. The following policies will apply to all activities sponsored by recognized organizations:

- a. Only recognized student organizations may utilize college facilities. The only exception to this policy is organizational meetings by new groups held with the permission of the Dean of Students. Organizations must comply with all facilities usage policies.
 - b. Northwest Mississippi Community College shall not be responsible for injuries or damages to persons or properties resulting from the activities of student organizations, or for any debts or liabilities incurred by such organizations. Organizations are also responsible and liable for the conduct and actions of all members and guests.
3. Each organization must agree to comply with all policies, regulations, and procedures established by Northwest, as well as with all municipal, state, and federal laws. The organization's purpose and philosophy must be congruent with that of the College.
 4. Organizations having a national affiliation must be members in good standing with their national office in order to be recognized by the College.
 5. No discrimination on the basis of age, sex, race, color, creed, national origin, or disability is to be practiced by organizations in selection or maintaining membership. Violations of this policy will be referred for disciplinary action in accordance with established procedures. Exceptions involve some organizations that by their nature include only members of a certain

religion. Such exceptions may only be made by the Dean of Students.

6. Each organization must have a campus adviser. A campus adviser is a faculty or staff member, employed full-time by the College, who is approved by the Dean of Students. Exceptions to full-time status may be made by the Dean of Students. A group may not orient new members without a campus adviser.

- a. The campus adviser will be required to do the following:
 1. Help develop and review the organization's statement of purpose as needed.
 2. Help the officers develop a strategic plan for service to the College and the community.
 3. Assist the organization in fulfilling its purpose.
 4. Advise the organization on questions of college policy.
 5. Be available as a resource person for information concerning the organization.
 6. Attend any on-campus event sponsored by the organization.
 7. Approve activities sponsored by the organization.
 - b. Should the adviser resign from the College or the organization, the group will have three weeks to identify a new adviser before losing related privileges. Extensions will be granted by the Dean of Students only when evidence is presented that a concerted effort to identify a new adviser has failed.
7. No person or organization may use the name, seal, or any symbol of the College in any manner without written permission from the Dean of Students.
 8. A minimum number of six (6) members is required for groups to maintain recognition by the College. Failure to meet this membership minimum, or to maintain a demonstrated and continued interest, may result in loss of recognition by the College.
 9. Active membership in any student organization shall be limited to currently enrolled students. Professional organizations may include members of the business community.
 10. No organization may use the same name as a currently registered organization, or one similar to it, or have purposes which are similar to those of a currently registered organization.
 11. Deposits and withdrawals of all organization funds must be made through the Business Office. Expenditures must be approved by both the adviser and president of the

organization.

12. No organization may solicit funds from any outside person, business, or organization without written approval from the Dean of Students. Any fundraising event shall be for the benefit of the organization as a whole or for charity. Funds shall not be distributed to the officers or members of an organization for personal profit or gain. Fundraising events must comply with all college fundraising regulations.

Statement of Conduct and Philosophy

The following is the policy of the Board of Trustees regarding conduct of students at Northwest Mississippi Community College. The rights, responsibilities, and prohibitions contained in this statement are incorporated as a part of these regulations.

The Board of Trustees of Northwest Mississippi Community College reaffirms its policies to fully support freedom of expression by each member of the student body and to preserve and protect the rights and freedom of its faculty members and students to engage in debate, discussion, and peaceful and non-disruptive protest and dissent. Under the Constitution of the State of Mississippi, under all applicable court rulings, and in keeping with the tradition of higher education in the United States, the Board is ultimately responsible for the orderly operation of Northwest Mississippi Community College and the preservation of academic freedom at the institution. The Board cannot and will not divest itself of this responsibility.

The Board of Trustees stipulates that any student, faculty member, administrator, or employee, acting individually or in concert with others, who clearly obstructs or disrupts, or attempts to obstruct or disrupt teaching, research, administrative, disciplinary or public service activity, or any other activity authorized to be discharged or held on the campus of Northwest, is considered by the Board to have committed an act of gross irresponsibility and shall be subject to disciplinary procedures, possibly resulting in dismissal or termination.

The Board of Trustees reaffirms its belief that all segments of the college community are under strong obligation and have a mutual responsibility to protect the campus community from conduct of disorderly, disruptive, or obstructive actions which interfere with academic, career, and/or technical pursuits of teaching, learning, and other campus activities.

College regulations provide guides for college life. A student is expected to display an attitude in which cooperation, good judgment, and good taste are standards of life at the College. Regulations are designed to protect the interest and well being of the student, his or her family, the College, and society. Disciplinary measures are designed to be corrective and beneficial to the educational development of the student. Disciplinary measures may range from the counseling of, to the expulsion of, the student from the college community.

Purpose of the Code of Student Conduct

The purpose of the Northwest Mississippi Community College Code of Student Conduct, related rules and regulations, and disciplinary procedures are to provide a framework for disciplinary policy and action which shall be consistent with principles of fundamental fairness for the student and with the philosophy of Northwest.

The aim and intention of Northwest Mississippi Community College is to institute within its operations and uphold with its procedures a high regard for the health, safety, education, and moral development of the student body. Hence, there is a need for basic policies governing the actions of students as they relate to fellow students, faculty, and administrators in the

academic community. The guiding force in the determinations of such policies is the realization that certain minimum standards of conduct must be met in order to create an atmosphere in which students and others can work toward and realize their educational and developmental objectives with minimum interference and maximum support and encouragement.

While the student has an obligation to observe college policy, it is realized that breaches of policy will occur. When a student is found to be in violation of policy, those personnel charged with dealing with such problems must operate within an established framework which has been made known to the student. In attempting to direct student behavior or to sanction a student whose behavior has been unacceptable, the administrator is obligated to do so in a fair and equitable manner and in accordance with stated policy of the institution. Therefore, the obligation of the College and its administrators is of great consequence and not to be taken lightly by students, parents, administrators, or the public.

The procedures outlined here clearly show what the College must and will do in the process of administering discipline of significant consequence to a student. They are in every respect consistent with other statements of policy issued by this institution. Within the framework of this manual, official bulletins of the College, and any official notices of the College one can find all statements of policy, regulations governing student conduct, minimum requirements for continuing at Northwest, and penalties for violations. In addition, the proper channels of appeal are listed along with the positions of persons to whom appeals may be made.

Residence Hall Policies

Introduction

Residence halls are provided by Northwest Mississippi Community College for the convenience of students who cannot or do not wish to commute on a daily basis. In addition, residence hall life often makes for a fuller and richer college experience. Many residents form lifelong friendships and pleasant associations with individuals of diverse backgrounds and cultures.

Northwest residence halls are a place to take pride in, not abuse; a place to meet, learn, study and appreciate others, not a haven for illicit activities or disorderly conduct unbecoming a student; a place where the human and student rights of others are observed, not a den of noise and confusion.

Liability

Northwest does not assume any legal obligation to pay for loss or damage to the student's personal property if it occurs in its buildings or on its grounds, prior to, during, or subsequent to the period of the student's residence on-campus. The student or student's parents are encouraged to carry appropriate insurance to cover such losses.

What is a Residence Life Coordinator?

An "RLC" is a professional Northwest employee who supervises the Residence Hall Supervisors within a designated area. The RLC resides on campus and is an additional resource for their residents. The RLC assists the Residence Hall Supervisor in maintaining order in the resi-

dence halls through room inspections, as further discussed on page 32 of this *Student Guide*, and via a “Campus Appearance Ticket” for behaviors that violate the Student Code of Conduct.

What is a Residence Hall Supervisor?

A Residence Hall Supervisor is a Northwest Mississippi Community College employee who manages the residence hall in which he/she resides. The Residence Hall Supervisor is the student’s first point of contact and is a great resource to our campus for their residents. The Residence Hall Supervisor oversees all aspects of check-in, check-out, open residence hall, and any other information that may be relayed from the Housing Office. In addition, the Residence Hall Supervisor maintains order in his/her residence hall through room inspections as further discussed on page 34 of this *Student Guide* and via a “Campus Appearance Ticket” for behaviors that violate the Student Code of Conduct.

Requirements

Residence halls are available only to students who take a full academic, career, or technical course load (excluding virtual classes) and attend class regularly. Class attendance will be monitored by the Housing Office. Students will be notified when they fall below full-time status and will be asked to vacate the residence hall. Exceptions to this policy are made by the Dean of Students or designee under the most unusual of circumstances.

In-State Residency

The mission of Northwest Mississippi Community College is to first serve the residents of our eleven-county district and then other residents of the state of Mississippi. In recent years, Northwest has experienced a high demand for our residence halls and has not been able to house out-of-state students. Northwest does not offer campus housing to out-of-state students (exceptions are made for scholarship athletes and special programs).

In-District

The mission of Northwest Mississippi Community College is to first serve the residents of our eleven-county district. Out-of-district students should apply for housing prior to May 31 for the fall semester. Out-of-district students applying after May 31 will be assigned a residence hall room only after all in-district students have been assigned.

Six Semester Limit

In order to foster academic progression, residence hall students are limited to six (6) semesters of residence hall living (not including summer semesters).

GPA and Credit Requirements

1. Northwest Mississippi Community College views satisfactory academic progress as indicative of a student’s efforts to achieve his or her educational goals. To encourage progress toward those goals, all residence hall students must meet the College grade point average and credit requirements for living in the residence halls. These requirements are similar to those used by the Registrar’s and Financial Aid offices in determining satisfactory progress.

- a. At the completion of the second semester of full-time study at the college, a student must have accrued a minimum of 12 credits and have a cumulative grade point average of at least 1.35.
- b. After the completion of the third semester, a student must have a GPA of 1.55 and accrued at least 20 credits.
- c. After the completion of the fourth semester, the student must maintain a 2.0 cumulative GPA.

2. Students who do not meet the minimum requirements will lose their privilege to live in the residence halls and will be notified by letter that they will not be able to live on campus.

3. Students who wish to request an exception due to extraordinary circumstances may appeal to the Dean of Students.

- a. The Dean will forward the appeal to an Ad Hoc Committee on Residence Hall GPA Appeals.
 1. The committee will consist of the Assistant Director of Campus Life and Housing (chair); the Coordinator of Housing Operations; one Residence Life Coordinator; one Residence Hall Supervisor; and one student appointed by the chair.
- b. Students must file an appeal within 15 days from the date of their notification letter. The notification letter will specify the date, time, and location of the committee meeting.
- c. Students may appear in person at the meeting or may submit a written appeal for consideration by the committee.
- d. Students will be notified by letter of the

outcome of their appeal.

Application

New Students

1. All applications for residence halls should be sent directly to the Housing Office for review and approval.
2. No residence hall room reservation is made until a student's housing application and room deposit of \$100 for Benton, DeSoto, Marshall and Tallahatchie, or \$50 for all other halls, is on file in the Housing Office.

Returning Students

 3. Students will receive their assignment for the future semester.
 - b. If student did **NOT** complete a Returning Residence Hall Student Application, they should indicate their intention on their check-out form.

Cancellations

If an applicant finds it necessary to cancel a room reservation, the room deposit less \$25 will be refunded provided the Housing Office is notified as indicated on the assignment letter.

No Shows

Students with residence hall reservations that are not claimed by noon the first day of classes shall forfeit their room and deposit.

Assignments

1. Priority

- a. Returning students who participate in Room Reclaim are given first priority. Those who re

claim their same residence hall are assigned first. Students requesting other Residence Halls are then assigned by initial date of deposit, and space availability.

- b. Returning students, who did not pre-register or participate in Room Reclaim, should complete a returning student application at check-out. These applicants are assigned to residence hall preference by date of deposit.
 - c. New students are assigned to residence hall preferences by date of deposit.
 - d. New out-of-district applications received after May 31 will be assigned a room only after all in-district students are assigned and space is available.
 - e. Due to space limitations, private rooms are not available.
2. **Roommate Requests**
 - a. All attempts are made to honor roommate requests when requests are mutual and deposits are submitted within 5 days of each other. Mutual roommate requests are prioritized based on the latest date of deposit of requested applicants.
 3. **Room Changes**
 - a. Requests for change of room and/or roommates will be considered after the second week of the semester.
 - b. Room changes must be approved by the Residence Hall Supervisor and appropriate paperwork process completed.
 4. **Residence Hall Changes**
 - a. Often times, students do not receive their first preference of residence hall choice. The Housing Office maintains a waiting list for each type of housing (apartments and suites) prioritized by date of deposit. When an apartment or suite vacancy arises, the Housing Office contacts the applicants on the waiting list.
 - b. Should a student accept the offer to relocate, the following process is followed:
 1. Student picks up Residence Hall Transfer Form from the Housing Office.
 2. Student pays fee difference at the Cashier's window of the Business Office.
 3. Student properly checks out of current residence hall.
 4. Student obtains new parking decal for

- vehicle.
- 5. Student properly checks into new residence hall.
- 6. Entire process is completed within allotted time frame.

5. Consolidation

The Housing Office may consolidate rooms to full capacity when vacancies occur and may move students to another room when such consolidation becomes necessary. Consolidation will begin the week after the room change period for the fall semester and continue through the 10th week of classes. Consolidation will begin the second week of classes for the spring semester and continue through the ninth week of classes.

- a. The Residence Hall Supervisor will submit a list of all residents who do not have a roommate within that residence hall to the Housing Office on a weekly basis.
- b. The Housing Office will first offer vacant spaces to any students on the waiting list for a specific residence hall or the housing waiting list.
- c. ALL residents without a roommate will be notified by the Housing Office of the following options:
 - 1. Select a roommate from the list of residents who is also in this process.

 - 2. Wait for the Housing Office to assign the student to a new room or assign a roommate to the student's room.
- d. Resident will be given five business days to complete the consolidation process.

6. Residence Hall Relocation and Dismissal

The Dean of Students has the right to relocate or dismiss a student from the residence halls.

Supervisor no later than the residence hall's mandatory meeting.

- 3. Students must attend the Mandatory Residence Hall Meeting. Date and time will be distributed by the Residence Hall Supervisor.

Roommate Agreements

At check-in, residents are provided a roommate agreement to complete with their roommate. The agreement is a list of questions to start dialogue between roommates to assist in communication, establish boundaries, encourage mutual respect, and lessen conflicts. Residents are encouraged to submit these completed agreements to the residence hall supervisor within the first two weeks of classes.

Holiday and Break Housing

Although classes are not in session during these times, the residence halls remain open during the Labor Day, Fall Break, Martin Luther King Jr., President's Day and Easter holidays and breaks.

1. In order to protect the safety of students, all students intending to remain in the residence halls during the holiday and corresponding weekend must complete the Holiday Housing Agreement via the college website.

2. The Holiday Housing Agreement is available via a link on the college website one week prior to the holiday until 2 p.m. the day before the holiday or corresponding weekend.

These facilities are provided to users for educational and administrative activities. All users must utilize these systems in an efficient, ethical, and legal manner. Use of these facilities must be consistent with Northwest policies as well as all existing federal and state laws. Access to computing facilities is a privilege, not a right. - Data files or messages being sent via the network are not private or secure communications.
- Northwest reserves its right, as owner of the network, to examine, capture, and archive any messages transmitted over

the network and to review any data stored on Northwest-owned devices under the direction of the Network Administrator or Director of Management Information Systems.

- If the security of the network is threatened, Northwest's requirement to maintain the network's integrity and protect the rights of users may supersede the individual user's privacy.

Student Computing

General Computer and Network Information

Northwest maintains a website at www.northwestms.edu. Students will find contact information for administrative offices, a faculty listing, course offerings, academic calendars, and other helpful information there.

A Computer Help Desk is available, open from 8 a.m. to 4:30 p.m., Monday through Friday. It is located in the McLendon Center, room 210, on the Senatobia campus, inside the open computer lab. The Help Desk offers software help and limited hardware troubleshooting.

To contact the Help Desk, call 562-3934 or e-mail helpdesk@northwestms.edu.

Student Access

Students may access information such as their class schedule, course history, traffic fines, etc., via myNWCC on the Northwest website using their student ID number and PIN. Students who attended Northwest in Spring 2014 and before will log in with their password that was assigned to them at that time. If you do not know your PIN, click on "Forgot ID/PIN?" and your password will be e-mailed to your Northwest e-mail account. New students logging into myNWCC for the first time should use their six-digit birthdate as their PIN. These students will be prompted to change their PIN upon login to a six-digit number of their choice for access to myNWCC only. During registration, eligible students may also register and complete their registration through this portal. If students misplace their PIN, they may click on the "Forgot ID/PIN?" in myNWCC to retrieve that information.

Network Access

Students are assigned a username for the Northwest network to be used for the semester in which they are enrolled in the form of username@northwestms.edu. Students Username is the first initial of their first name, full last name and last 4 digits of their Student ID. The Students password is the same as their password/PIN# in myNWCC. These login credentials will provide access to login to computers on campus, CANVAS, the network storage ("H drive") as well as webmail. If students misplace their PIN#, they may click on the 'Forgot ID/PIN' in myNWCC to retrieve that information or, it may be obtained by

contacting a counselor at the DeSoto campus, an employee in the library of the Oxford campus, or by going to the Help Desk in the McLendon Center computer lab with a student ID. Help Desk personnel are not allowed to give login information over the phone. A student's username is their first initial, last name, and the last four digits of their student ID number. Network access is terminated before each fall semester.

E-mail Accounts

Students are automatically assigned a Northwest e-mail address when they register. E-mail addresses are in the form of username@northwestms.edu. All e-mail accounts can be accessed through the WebMail link on the Northwest Web site using the username they are assigned. Student's Username is the first initial of their first name, full last name and last four digits of their student ID. The Students password is the same as their password/PIN# in myNWCC. Student email accounts are not active until the first day of classes and are deleted before each fall semester.

Network Storage

Students are allowed 50MB of storage space on the Northwest network to store coursework or other classroom projects. Access to this network storage space is given to the student upon login to the network in the form of an extra (virtual) drive listed under the "My Computer" icon on the PC. This storage space may be accessed from any classroom, lab, or residence hall computer connected to the Northwest network, as well as via the Northwest website. Storage space is deleted at the end of July each year. Students are encouraged to backup any files they would like to save to another media before the end of the semester.

Internet Access

There is wireless Internet available on all three Northwest campuses. The connection is called NWCC_Guest. The password is: gorangers. Users must accept the usage policy page in order to gain access to the Internet. Internet connections ARE monitored for appropriate usage. Students are required to read and follow the Acceptable Use Policy for Computing which is located on the Northwest website and in the previous section of the *Student Guide*.

Computers on Campus

Northwest maintains open computer labs for faculty and student use. On the Senatobia campus they are located in the McLendon Center and in the R.C. Pugh Library. On the Southaven and Oxford campuses, the open labs are located in the library. These computers have the most recent versions of Microsoft Office, Internet browsers, and various academic programs. All users must be prepared to show a current Northwest ID to utilize the labs. Check page 13 of this *Student Guide* for lab hours. Users are not allowed to install/delete any programs or change any desktop settings on these computers.

Canvas System

Through any Internet connection and on a wide variety of mobile devices, students can at their convenience access materials for courses taught at Northwest. Canvas is used for all online courses and for supplemental resources in on-campus courses. A link to the Northwest Canvas system is provided through the Northwest Web site, or can be reached directly at <https://northwestms.instructure.com>. Students may log in to the Northwest Canvas system using the same username and password assigned to them for utilizing the Northwest network. A Canvas tutorial can be found online at <https://vimeo.com/63616611>.

Social Media Policy for Students

Northwest encourages the use of social media. The Office of Communications runs the official Facebook, Twitter, Instagram, YouTube, Tumblr and Snapchat pages. Using these platforms to ask questions or leave comments is welcomed. If an official student organization or department wishes to start a social media account, they should first consult with the Office of Communications.

Acceptable content may be positive or negative in context to the conversation, regardless of whether it is favorable or unfavorable to Northwest. However, posted content and/or language that is illegal, obscene, defamatory, threatening, infringing of intellectual property rights, invasive of privacy, profane, libelous, harassing, abusive, hateful or embarrassing to any person or entity, or otherwise injurious or objectionable is unacceptable and shall be removed.

Any social media post that violates a code of student conduct will be handled in accordance with the college's student conduct procedures as outlined in this *Student Guide*.

Learning Resources Code of Conduct

Northwest Learning Resource Centers (LRC) are committed to providing an educational environment conducive to learning. Students play a critical role in creating this environment by respecting the rights of others while using library resources.

- A quiet policy is observed throughout all the libraries of Northwest. The purpose is to provide a suitable environment for study whether it be individually or in a group. Cooperation with this policy acknowledges and supports the need for a quiet place on campus. Set cell phones to silent when entering the LRC and walk out to answer them. Turn volume down on headphones while working in solitude or on computers.
- A certain amount of noise is expected at all service desks where librarians often interact with faculty, staff and students. Otherwise, both librarians and students are expected to minimize noise by keeping conversations low.
- Students must present a current student ID to use computers or check out material.
- Students who access social media/gaming on LRC computers will be monitored. If a demand for school-related work becomes apparent, the librarian will ask for social media/gaming to cease. Anyone who misuses library computers/laptops can expect disciplinary action.
- No food or drink is allowed in the library.

The library faculty and staff reserve the right to ask students to conform to the Code of Conduct. If misconduct continues, the librarian will request an ID from the student. An incident report will be filed with Campus Police at this point, or the student will be asked to leave the library.

Financial Aid Satisfactory Academic Progress Policy

Students receiving any form of Federal Financial Aid from Northwest Mississippi Community College will be expected to maintain satisfactory academic progress (SAP) toward their program objective. Failure to achieve satisfactory academic progress will result in the termination of your Federal Financial Aid.

Federal Financial Aid consists of:

- Pell Grant
- Work-Study
- SEOG
- Student Loans
- PLUS Loans

Standards are applied uniformly to all students receiving Federal Financial Aid regardless of enrollment status or program of study—e.g., less than half time (1-5 hours), half-time (6-8 hours), three-fourth-time (9-11 hours), full-time (12 hours or more), Academic or Career-Technical. The Northwest Mississippi Community College philosophy views satisfactory progress as indicative of a student's efforts to achieve an educational goal within a given period of time, reflecting qualitative (measuring quality) as well as quantitative (measuring quantity) criteria.

Students must pass a minimum percentage of all courses attempted and must maintain a minimum cumulative GPA (grade point average) as calculated by the Registrar's Office as shown below:

Credit Hours Attempted	Percentage of Hours Attempted (includes classes dropped) That You Must Pass	Minimum Cumulative GPA You Must Maintain
1-6	50%	1.25
7-12	50%	1.35
13-20	50%	1.55
21-96	67%	2.00
97 and up	generally not eligible for financial aid	generally not eligible for financial aid

TOTAL HOURS: All students must complete the educational program within 150% of the published length (according to the Northwest *Bulletin*). For example, a pathway or program requiring 60 hours for a degree allows a maximum of 90 attempted hours (60 hours x 150% = 90). Once a student exceeds 150% of hours needed to complete the degree, he or she will no longer be eligible for Federal Financial Aid.

Students not meeting SAP requirements due to exceeding the maximum hours attempted, generally 96 credit hours, will be placed on Financial Aid Suspension and are no longer eligible for Federal Student Aid.

PACE: Pace of progression is referred to in the chart above as “percentage of hours attempted that you must pass.” Your pace will be determined by dividing the cumulative number of hours successfully completed by the cumulative number of hours attempted. In order to avoid a SAP issue, your pace should be greater than or equal to 50% if you have attempted 1-20 hours. If you have attempted 21 hours and up, your pace should be greater than or equal to 67%.

Below is a chart that demonstrates the pace of progression a student must maintain to ensure completion within the maximum time frame:

After Attempting This Many Hours	Percentage of Hours Attempted That Must Be Passed	At Least This Many Hours Must Be Passed	Minimum GPA Must Be At Least
6	50%	3	1.50
12	50%	6	1.50
21	67%	14	2.00
48	67%	33	2.00
84	67%	57	2.00
90	67%	60	2.00
91 or more	generally not eligible	generally not eligible	generally not eligible

Students’ attempted hours, earned hours and cumulative (overall) GPA is displayed on their Northwest transcript. Students can view their transcript by logging into their myNWCC account.

TRANSFER STUDENTS: All transfer students must have on file in the Registrar’s Office ALL required academic transcripts from each college he/she previously attended. Failure to have required academic transcripts on file will result in the student not being eligible to receive Federal Financial Aid funds. Please refer to the Admissions Transfer Policy stated on page 38 of the current Northwest *Bulletin*.

PRIOR BACHELOR’S DEGREE: Students who have a prior bachelor’s degree and are planning to enroll in educational programs at Northwest to pursue a new degree are not eligible to receive a Federal Pell Grant. However, such a student is eligible to apply for Federal Educational Loans and College Work-Study Funds. Students must have on file in the Northwest Registrar’s Office all transcripts from previously attended colleges. No financial aid will be awarded if all transcripts are not on file. Each transfer student will have their Title IV financial aid records evaluated for eligibility through NSLDS (National Student Loan Data System).

REMEDIAL CLASSES: Developmental studies classes will be treated the same as regular classes.

INCOMPLETE COURSES: Grades of incomplete are counted as an F until the course is completed and the grade is recorded by the Registrar.

REPEAT COURSES: Repeat courses will count as hours attempted but only once in hours earned, if the student passes the course, and only the highest grade on the repeated courses will be included in the GPA calculation.

NOTE: If you have been academically dismissed or placed on academic suspension and wish to appeal that status, you should contact the Registrar’s Office for instructions. Completing an appeal of Financial Aid Suspension will not correct your academic standing. Likewise, being readmitted through the Admissions Office will not automatically remedy your Financial Aid Suspension.

FREQUENCY OF SAP CALCULATION: Beginning with the 2014-2015 Academic Year, student SAP will be checked at the end of the Spring term.

NOTIFICATION OF INELIGIBILITY: Students will be notified through their myNWCC student portal under Financial

Aid Status and/or Financial Aid Requirements.

FINANCIAL AID SUSPENSION: Students on Financial Aid Suspension are no longer eligible for Federal Student Aid which includes Pell Grant, Work-Study, SEOG, Student Loans, or PLUS Loans. The student may pay out-of-pocket and attempt to get back into compliance with the SAP requirement, or the student may appeal the suspension if there were any extenuating circumstances that prevented him/her from meeting the SAP Requirements.

FINANCIAL AID PROBATION: Students on Financial Aid Suspension and who have an appeal approved will be placed on Financial Aid Probation and will be eligible for Federal Student Aid for one year. At the end of the Spring semester, the student must be meeting SAP requirements or successfully following an academic plan devised by the school. Students who fail to meet these conditions of their appeal will be placed on Financial Aid Suspension.

APPEAL PROCESS: Any student being denied Federal Student Aid due to not meeting SAP requirements (whether due to exceeding the total hours, percentage completion, or GPA) may appeal if some extenuating circumstance such as illness of student, severe injury of student, death of close relative of student or other undue hardship such as lack of transportation, incarceration of student, or other circumstance determined by the Financial Aid Appeals Committee. We advise students who find themselves needing to use the appeals process, to review their Northwest transcript and read the SAP Policy, before completing the SAP Appeal form. Appeals will be considered on their own merit. Appeals may be denied. Students will be notified through their myNWCC student portal. Appeals will generally be reviewed within 45 days after they have been received. See the Financial Aid section of the Northwest web site under SAP Appeal Policy for the deadlines.

How to file an appeal:

Submit your appeal online at www.northwestms.edu under *Financial Aid* and *Financial Aid SAP Appeal Form and Policy*.

You must explain in your appeal the reason why you failed to maintain SAP and provide documentation such as accident reports, physician's statements, third party affidavits, etc., to support your reason. Explain what has changed in your situation that will allow you to improve your academic standing and return to SAP by the end of the next term, if your appeal is approved.

You will be notified through your myNWCC student portal of the decision. This could take several days.

Students receiving scholarships must attend Northwest for a minimum of six weeks during the semester in which they are awarded a scholarship. Any student who officially or unofficially withdraws prior to the six week requirement shall not receive the scholarship previously awarded. Each student shall also be required to maintain specific academic standards relative to the scholarship awarded.  - 2. Housing (Senatobia campus only)

3. Business Office
4. Registrar's Office

At Centers, students complete the withdrawal process at the Center Dean's office. Since charges are made for a full semester when a student registers, it is important that students clear with the Business Office when they make any changes which might affect their account. In some instances, students will be due a cash refund or credit to their account. Cash refunds are made to the source from which the money originally came.

9. Check Cashing – As a special accommodation to students, personal checks may be cashed in the college Business Office upon presentation of their Northwest ID. A student should have personal checks on his bank. Personnel in the Business Office will deny the privilege of cashing checks when the student has had a check returned. Personal checks are not cashed for students during the last two weeks of a semester. No two-party checks will be accepted.
10. Returned Checks – Any check returned to the College is due in full within seven days plus a \$25 service charge.

Identification Policy

The College issues each student an identification card at the beginning of each semester. This card is to be used to identify the recipient as a student at Northwest Mississippi Community College; to secure tickets to athletic events; for admission to concerts, artists' series, and college theater productions and for voting in campus elections. This card is a valuable document and must be in the student's possession at all times.

Any misuse of the identification card by its holder, or attempted use by another person will result in the cancellation of the privileges provided and in disciplinary action.

The loss or theft of an identification card should be reported immediately to Campus Police. A substitute card will be issued only after payment of a \$10 fee. Students are allowed to possess only one ID card and must surrender this card upon withdrawal from Northwest.

All students are required to have their ID cards on their person at all times. Failure to present the ID card to college officials in authority, identify one's self to college officials, or giving false information will be grounds for disciplinary action.

Intellectual Property Rights Policy

Work products and courseware created or produced using Northwest resources, time, or facilities are considered to be property of the College. However, all materials developed on personal time using personal resources shall be deemed property of the individual. This policy is applicable to all faculty, staff, and students.

Classroom Etiquette

Northwest Mississippi Community College is committed to excellence in teaching. Teachers and students have an obligation to cultivate an environment that enhances learning for all students. Respect for one another and for their ideas and values is essential to establishing this strong learning environment in the classroom.

Students are expected to conform to the following classroom rules:

1. **Attendance**—Students must attend a minimum of 88 percent of all scheduled classes to receive credit. If a student's absences exceed 12 percent of scheduled class meetings, that student will receive an "F" grade in the class.

2. **Tardiness**—Students should be seated before the scheduled class time. A student is counted absent from class if he or she is later than 10 minutes arriving to the class meeting. If a student enters the class tardy, he should do so with a minimum of disruption.

3. **Leaving before class conclusion**—All class members are expected to remain in the class and be attentive until the instructor indicates that the class session is over. Compelling personal needs may force students to leave the room during class. Whenever possible, students should inform instructors prior to the start of class of any personal difficulties that might lead them to leave the room during class. Students who leave the room should make every effort to leave and return with as little disruption as possible. Habitual and unexcused movement during class sessions may be prohibited by the instructor.

4. **Cell phones**—Personal cell phone use in the classroom while class is in session is strictly prohibited. This includes texting, Internet browsing, using social media, and taking photos. Students who are enrolled in courses that are utilizing e-books, may use their cell phones to access course information along with laptop computers, iPads, Kindles, or similar technology, if they have the book downloaded on those devices.

5. **Personal conversation**—It is rude and disruptive to engage in personal conversation during class. Students who persist in disruptive behavior may be asked to leave the class. Reading newspapers, doing crossword puzzles, or engaging in other personal diversions unrelated to class activity is equivalent to a personal conversation.

Students are reminded that obstruction of teaching or disruption of the learning environment is prohibited. The instructor reserves the right to remove from the classroom any student whose conduct is disruptive.

Tobacco Policy

Northwest Mississippi Community College facilities, grounds and vehicles are tobacco free. This tobacco free policy prohibits the use of all tobacco products as defined by the American College Health Association, which includes all tobacco derived or containing products, including but not limited to cigars, cigarettes, hookah smoked products and oral tobacco (spit and spitless, smokeless, chew and snuff). The use of electronic smoking devices (also known as electronic cigarettes or e-cigarettes) is prohibited. This policy applies to faculty, staff, students and visitors.

Film/Photography Consent

Students may be filmed or photographed for journalistic or marketing purposes for the college. If a student DOES NOT wish to appear in student or college publications or college marketing materials (including online), they should fill out a Personal Image Publication Refusal Form in the Communications Office at the beginning of the school year. Students should also alert any Communications staff member immediately if they do not wish to be photographed/videoed at the time of the photograph/taping, so they preemptively keep their image out of the photo/footage. Otherwise it is understood that the college has permission to use images of students in all journalistic or marketing materials.

Dress Code

No manner of dress will be allowed which disrupts the normal educational process. In order to prepare students for careers and occupations, all students are expected to dress in good taste and be well groomed. Shirts must be worn at all times except within a student's assigned residence hall room or if engaged in an outdoor athletic activity. Underwear and undergarments should remain covered at all times except in a student's assigned residence hall room.

All pants and shorts must be worn at the waist. Pajamas are not to be worn outside the student's assigned residence hall.

In public areas, personal grooming should be kept as minimal and discreet as possible. No hairdressing, nail painting, etc. is allowed in public areas.

Medical Emergencies

The College does not have the facilities, equipment, or personnel to administer medical treatment to persons who are sick or injured. Therefore, if a student or other person on campus is sick or injured, and if in the opinion of college officials a medical emergency exists, then college officials may call for an ambulance to transport sick or injured persons to a medical facility. Calling for an ambulance or other emergency agencies will be at the discretion of college officials, and students or other persons involved in the emergency must cooperate and follow the directions of college officials. It will be considered a violation of policy if any student refuses or interferes with the directions of college officials during such emergencies. Such students will be subject to disciplinary action. Expenses for professional care or treatment are the responsibility of the sick or injured student or guest.

If it is determined by college officials that it would be hazardous to a student's health or safety to reside in campus housing due to certain medical conditions (such as a student's refusal to take prescribed medication, to follow doctor's orders, etc.), the College may require a clearance letter from a qualified physician in order for the student to reside in campus housing.

Students needing medical assistance or a medical referral should contact the Dean of Students at the Senatobia campus, or the Center Dean if attending a center.

Campus Police and Automobile Regulations

Campus Safety Statement

The safety and security of students, faculty, and staff is very important to Northwest Mississippi Community College. A copy of the Annual Security Report, published annually by the Campus Police Department, details Northwest policies and procedures regarding campus safety. A copy of the report, which contains the annual crime statistics report, is available in this *Student Guide* and upon request from the Campus Police Office (662-562-3314) in printed form and online at www.northwestms.edu. The Annual Security Report is published in compliance with all applicable federal laws regarding campus safety and security.

Authority of Campus Police

Mississippi Code of 1972 (As Amended): Section 37-29-275. Application of general criminal laws of state; security officers vested with powers of constables; authorization to bear arms if certified.

Any act, which, if committed within the limits of a city, town, or village, or any public place, would be a violation of the general laws of this state, shall be criminal and punishable if done on the campus, grounds or roads of any of the state-supported junior colleges. The peace officers duly appointed by the boards of trustees of state-supported community or junior colleges or officers of private security firms licensed by the State of Mississippi contracted by the boards of trustees of state-supported community/junior colleges are vested with the powers and subject to the duties of a constable for the purpose of preventing and punishing all violations of law on state-supported junior college grounds and for preserving order and decorum thereon. Peace officers appointed by the boards of trustees or officers of private security firms licensed by the State of Mississippi contracted by the boards of trustees shall have authority to bear arms in order to carry out their law enforcement responsibilities if such officers have been certified according to the minimum standards established by the Board on Law Enforcement Officer Standards and Training.

The peace officers duly appointed by the boards of trustees of public community/junior colleges are also vested with the powers and subjected to the duties of a constable for the purpose of preventing all violations of law that occur within five hundred (500) feet of any property owned by the college, if reasonably determined to have a possible impact on the safety of students, faculty or staff of the college while on said property. Provided, however,

that nothing in this section shall be interpreted to require action by any such peace officer appointed by a college to events occurring outside the boundaries of college property, nor shall any such college or its employees be liable for any failure to act to any event occurring outside the boundaries of property owned by the college. If a law enforcement officer is duly appointed to be a peace officer by a college under this section, the board of trustees of the public community/junior college may enter into an inter-local agreement with other law enforcement entities for the provision of equipment or traffic control duties, however, the duty to enforce traffic regulations and to enforce the laws of the state or municipality off of college property lies with the local police or sheriff's department which cannot withhold its services solely because of the lack of such an agreement.

Vehicle Services

The following services are available to all students while located on school property; Northwest is not liable for any damage incurred during these services. Vehicle services are not available off campus.

- Vehicle Unlock
- Vehicle Boost (by use of power packs **only**; no booster cables will be used)

If a vehicle requires one of the above services more than once in an eight-hour period, there will be a \$5 charge for all services after the initial service.

These services are by courtesy of the Campus Police Department and are subject to officer availability.

General Regulations

Northwest strives to be a pedestrian-friendly campus. All drivers are admonished to respect the rights of pedestrians while driving on campus. Thorough understanding of these regulations is important because violations will result in needless expense and inconvenience to the student.

1. A vehicle is defined as any car, truck, motorcycle, or any other type of movable motorized transportation.
2. All students, faculty, administration, and staff must register and purchase a decal for vehicle operation on campus at the time of school registration. The decal is to be permanently affixed to the left rear window or bumper of the vehicle in a manner in which removal of a decal would destroy the decal. Taping a decal to the window is not sufficient.

3. There is no cost for the decal of the first vehicle registered. To obtain your first decal please have the following information: your student ID number; the tag number of the vehicle; the year, make, model and color of the vehicle; and your promissory note. Additional decals are \$5 each.

4. A student who changes his or her place of residence or whose decal becomes illegible is responsible for re-registration of his or her car immediately in order to secure the proper decal. Also, when the owner trades his or her car, he or she is responsible for removing the old decal. Any violations noted against the old decal will be charged to the person to whom it was issued.

5. No motor vehicle shall display more than one Northwest Mississippi Community College decal at any one time. No person who has registered a vehicle and received a decal shall affix, or permit any other person to affix, such decal to any vehicle other than the vehicle for which the decal was issued. Decals are non-transferable.

6. Driving in a reckless manner is prohibited.

7. Northwest is not responsible for contents in vehicles parked on campus.

8. Speed limit on the Northwest campus is 20 mph unless posted differently. Speed limit in all parking lots is 5 mph.

9. Registered operators must observe and obey all traffic and parking signs on campus.

10. Registered students are responsible for their vehicles on campus.

11. Vehicle operators must not repair vehicles on campus grounds or parking lots.

12. Abandoned vehicles are not to be left on campus for more than 48 hours.

13. Vehicles are not to be parked on grass, sidewalks, entrances, streets or exits.

14. All accidents should be reported immediately to Campus Police.

15. Northwest reserves the right to impound vehicles or remove illegally parked vehicles at the expense of the owner or registered student.

16. No faculty or staff person shall register any vehicle and obtain a decal for any full- or part-time student. No person shall utilize in any manner a decal issued to some other person.

17. Summer school students must obtain a decal if they did not obtain one during the previous fall or spring semester.

18. Records of all violations are kept by Campus Police.

19. Music volume must be adjusted so that it can only

be heard by the occupants of the vehicle.

20. Any window of a vehicle that has tint film or that has been darkened otherwise, so that the interior of the vehicle has light transmittance of 35 percent or more, must have a certifying label attached to the window approving that the tint is within state, county, and city guidelines.

21. All motor vehicles must at all times be equipped with a muffler in good working order and in constant operation to prevent excessive or unusually loud noise and/or annoying smoke. No vehicle is allowed using a muffler that has been cut out, bypassed, or altered using external devices.

22. **Temporary Decal:** Temporary Decals will be issued by Campus Police for a period not to exceed two weeks. Students will be issued 1 temporary decal per semester for personal vehicles and any vehicle used throughout the semester. After the expiration of the temporary decal a permanent decal must be purchased and properly displayed on the vehicle. Students driving a rental car will only be required to display a temporary decal.

There is no fee for the temporary decal. The first permanent decal is free, and \$5.00 for each additional. Please be aware that due to temporary decals being placed on the interior of the rear glass, dark tint can hinder Campus Police from being able to see the decal.

In addition to the above rules and regulations, all state laws pertaining to traffic and all other state and federal laws are in full force at all times.

Parking Regulations—Senatobia

The responsibility for finding legal parking spaces rests with the motor vehicle operator. Lack of space is not considered a valid excuse for violation of any parking regulation. The College does not guarantee a parking space in your desired zone. The Howard Coliseum parking lot is designated as an overflow parking area. Failure by any individual to find a legal parking space shall not be an excuse for the violation of these regulations.

1. The color of the decal issued will designate the zone in which vehicles may be parked. Any motor vehicle which is parked in an area not designated as the proper zone will be ticketed. Resident students must park at their assigned residence hall lot.

2. Decals for the Senatobia campus are color coded as follows:

- a. Male residence hall students—white
- b. Female residence hall students—blue
- c. Commuting students—green

d. Faculty and staff—red

3. No student may park in a red zone (faculty and staff parking space) for any reason for any length of time.

4. If a student changes residence halls, the student must obtain and affix the appropriate parking decal on the day of the move. There is no charge for this change of decal.

5. Commuting students must park only in their designated parking areas. Commuter students are not permitted to park at residence halls for any reason. Residence hall students are only permitted to park at their residence hall. Having a white decal (male residence hall) does not entitle a student to park in any male residence hall parking lot, other than the residence hall they are assigned to. Having a blue decal (female residence hall) does not entitle a student to park in any female residence hall parking lot, other than the residence hall they are assigned to. Administrators, faculty, and staff may park wherever necessary on campus (except in spaces designated for the disabled, where curbing is painted yellow, on sidewalks, across parking lanes, or on campus lawns).

6. In the event that a residence hall student must attend a class at the Oxford or DeSoto Centers, their residence hall decal will be honored as a commuter decal. These students must park in areas designated for commuter parking only. These students are not permitted to park in areas designated for faculty and staff.

7. The Band Field Parking Lot, with the exception of faculty/staff parking spaces, is for commuter parking only.

8. Disabled persons will receive special consideration upon application to the Office of Disability Services.

9. Vehicles are not to be parked where curbing is painted yellow, on sidewalks, across parking lanes, in the street, or on campus lawns. Students, faculty, or staff members may park in the 15-minute zones at any time, but not longer than 15 minutes.

10. Abandoned vehicles or vehicles causing a traffic hazard may be towed by a local wrecker service at the owner's expense without warning to the owner.

11. Any vehicle operated by a person whose driving privileges have been suspended will be towed away at the owner's expense if found by Campus Police.

12. Any vehicle parked in a reserved or no parking area can be towed if deemed necessary by Campus Police.

Parking Regulations—DeSoto Center/ Lafayette-Yalobusha Technical Center

The responsibility for finding legal parking spaces rests with the motor vehicle operator. Lack of space is not con-

sidered a valid excuse for violation of any parking regulation.

1. The color of the decal issued will designate the zone in which vehicles must be parked **at all times**. Any motor vehicle improperly parked will be ticketed.

2. Disabled persons will receive special consideration upon application to the Office of Campus Police.

3. Vehicles are not to be parked where curbing is painted yellow, in the street, on sidewalks, across parking lanes, or on campus lawns.

4. Abandoned vehicles or vehicles causing a traffic hazard may be towed by a local wrecker service at the owner's expense without warning to the owner.

5. Any vehicle operated by a person whose driving privileges have been suspended will be towed at the owner's expense if found by Campus Police.

6. Any vehicle parked in a reserved or no parking area can be towed if deemed necessary by Campus Police.

7. The DeSoto Center front gate opens at 7 a.m. and closes at 10 p.m. **Vehicles left in the parking lot after 10 p.m. will remain secured until 7 a.m. the next morning.**

8. The speed limit in all parking lots is 5 mph.

Visitor Parking

Only visitors are allowed to park in spaces designated for visitors. For the purpose of these regulations, the term "visitor" includes all individuals who are NOT affiliated with the College as a student enrolled in classes, staff, faculty, external employee or vendor/construction worker.

Penalties

Penalties for violations shall be as follows:

1. Moving Violations

a. Running stop signs	\$50
b. Careless driving	\$75

2. Parking/Other Violations

e. Decal improperly located	\$10
f. Excessive noise (radio or muffler)	\$100
g. Other violations	\$20
h. Unauthorized parking on lawns	\$25
i. No decal	\$20
j. Tinted window violation	\$50

Cost of decals are as follows:

First faculty/staff decal	Free
Extra faculty/staff decal	\$5
First student decal	Free
Extra student decal	\$5
Temporary decal (2 weeks maximum)	Free
Summer school (new students)	Free

Decals are valid for one academic year (including summer school).

Students are reminded that violations of automobile and parking regulations are also violations of the Code of Student Conduct. As such, these violations can be forwarded to the Assistant Director of Campus Life and Housing for discipline procedures.

Procedure for Paying Tickets

1. Tickets are to be paid at the College Business Office or via the myNWCC student portal.
2. Northwest traffic regulations apply to all faculty and staff. Faculty and staff will be ticketed.

Appeals

A student wishing to appeal a violation penalty should make the appeal to the Campus Police Office **within five working days of receiving a citation**. Any person who fails to appear and contest a ticket after five days from the date of the ticket shall be considered to have waived the right

to an appeal. **Ignorance of the regulations or unavailability of a legal parking space is not grounds for an appeal.** Ticket appeals will be forwarded to the issuing officer for review. If the ticket is not dismissed by the officer, it will be referred to the Ticket Appeal Committee for consideration. The decision of the committee is final; there is no second appeal process. Any student found responsible for violating Sections 105, 106, or 109 of the Student Code of Conduct automatically terminates their right to filing an appeal for a citation connected to that incident.

Information about the Ticket Appeal Committee, including meeting dates, may be obtained at the Campus Police Office.

Tips for Writing a Successful Citation Appeal:

Read over the traffic and parking rules and regulations to see why your citation was issued. Determine if there is something stating your documented violation is allowed by the traffic and parking rules and regulations. Appealing for the wrong violation will not result in a successful appeal.

Common reasons for unsuccessful appeals:

1. Improper display of decal or the decal is not permanently affixed
2. Failure to purchase any decal or appropriate decal
3. Inclement weather
4. Late arrival for class or meeting
5. Parking in a disabled space when you do not have the required decal

Also, keep in mind that traffic and parking citations are given all day, every day. Lastly, remember that you are responsible for your registered vehicle. If someone else is driving your vehicle and it is issued a parking citation, you are responsible for the citation.

Right of Amendment

Northwest Mississippi Community College reserves the right to amend, revise, delete, and/or waive any policy or procedure when deemed necessary to comply with federal, state, and local enactment which may have become effective since the publication of the policies.

Northwest Mississippi Community College further reserves the right to amend, revise, delete, change, or substitute any policy or procedure contained herein for any reason. The College further reserves the right to change the fees, rules, and calendar regulating admission, registration, instruction, and graduation from the College and to change any other regulation affecting the student body. Changes become effective when approved by the administration of the school and generally disseminated to the students by publication or other similar manner. Changes apply not only to prospective students but also to those who are already matriculated in the College.

Emergency Procedures

Medical Emergency

Any person encountering a potentially dangerous medical situation must determine immediately if it is an actual emergency. If it is, do not hesitate; contact your instructor, the building front desk, the building supervisor, or Campus Police immediately. If you cannot leave the situation, send someone who is nearby to call.

Do not delay by referring to other persons for consultation. In a true medical emergency situation, precious time may be lost conferring with others. It is better to call for help and not need it than wait and regret the decision later.

If other people are near, it may be possible to use them to contact campus personnel who may be better trained to handle emergencies. It is imperative that the primary concern always be for the emergency at hand. Never leave the emergency until you are relieved by trained, competent personnel.

When requesting assistance, make sure that you give your name, address, phone number (if possible), and any other information requested by college personnel. Allow the staff member to terminate the phone conversation, thus assuring all essential information has been received correctly.

Fire

1. If you discover a fire:
 - a. If the fire is small (e.g., trash can), put it out with a fire extinguisher.
 - b. With all other fires, exit the building, pulling the local alarm in the corridor. If there is no alarm, inform your instructor, the building supervisor, or Campus Police.
 - c. Staff should contact the Fire Department and/or Campus Police immediately.
2. If you hear a fire alarm:
 - a. Pull windows and doors closed.
 - b. Exit the building using the nearest unblocked staircase.
 - c. Move away from the building. Follow the directions of the College staff or the Fire Department.

Severe Weather

If there is severe weather:

1. Move indoors.

2. The National Weather Service issues severe weather information in the form of WATCHES and WARNINGS.

a. TORNADO WATCH—means there is a possibility of one or more tornadoes in the area.

Continue normal activity but watch for tornadoes.

b. TORNADO WARNING—means a tornado has been sighted or detected by radar and may be approaching. SEEK SHELTER IMMEDIATELY as directed by College staff. If outside, go to the nearest building or lie down in a ditch or depression. If inside, go to an interior room or hallway away from windows.

Earthquake

If there is an earthquake:

1. During the shaking:
 - a. If indoors, take cover under a desk, table, etc., or in doorways, halls and against inside walls.
 - b. If outdoors, stay outside and move away from buildings and utility wires.
 - c. Do not use candles, matches, or other flames during or after a tremor.
2. After the shaking:
 - a. Listen to radio/television broadcasts for emergency bulletins and stay off the telephone except to report emergencies.
 - b. Stay out of severely damaged buildings. Do not go sightseeing. For more specific information, please refer to the chart on the back of the entrance door to your residence hall or classroom.

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Report

On November 8, 1990, President George H.W. Bush signed the “Student Right to Know and Campus Security Act of 1990.” The Act applies to every institution of higher education that receives federal financial aid. Title II of the Act was called the “Campus Crime Awareness and Campus Security Act of 1990.” It requires institutions of higher education to distribute to all current students and employees, and applicants for enrollment or employment, two types of information: (1) Descriptions of policies related to campus security, and (2) Statistics concerning specific types of crimes. Amendments enacted in 1998 renamed Title II, and it is now known as the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.” The amendments require the disclosure of crimes that are reported to police and campus officials other than police, along with a breakdown of locations of criminal activity to be specified as on-campus, non-campus, residence hall, or public property.

The Campus Police

The Campus Police Office is part of the Division of Student Services and reports to the Vice President for Student Services. The Director/Chief of Campus Police is responsible for the management of the office and staff. All other public safety services are coordinated with key college and local officials.

The Campus Police staff consists of both full- and part-time officers who are certified through the Mississippi Law Enforcement Officers Training Academy and have constable powers under authority of state statute. All certified officers are armed and have arrest powers. They are responsible for enforcement of college rules and regulations and the laws of the state of Mississippi on the campuses of Northwest Mississippi Community College. Police jurisdiction includes all college-owned, rented or leased property. Campus Police officers are based on the Senatobia campus, DeSoto Center and Lafayette-Yalobusha Technical Center. NWCC Campus Police works closely with local, state, and federal law enforcement agencies, such as the City of Senatobia Police Department, Tate County Sheriff’s Department, City of Southaven Police Department, DeSoto County Sheriff’s Department, Benton County Sheriff’s Department, City of Oxford Police Department, and the Lafayette County Sheriff’s Department, in investigations of shared concern and have a written Memorandum of Understanding with these departments concerning the investigations. The staff is also composed of security guards who perform parking patrols, vehicle boosts, residence hall room and vehicle unlocks and other related functions.

The Campus Police telephone number (562-3314) is monitored 24 hours a day by a dispatcher or by an officer operating a cell phone. Dispatchers can contact the fire department, other law enforcement agencies or emergency medical services by direct phone line or radio. Personnel also monitor the National Weather Service radio network.

Authority of Campus Police

Mississippi Code of 1972 (As Amended): Section 37-29-275. Application of general criminal laws of state; security officers vested with powers of constables; authorization to bear arms if certified.

Any act, which, if committed within the limits of a city, town, or village, or any public place, that would be a violation of the general laws of this state, shall be criminal and punishable if done on the campus, grounds, or roads of any of the state supported junior colleges. The peace officers duly appointed by the boards of trustees of state-supported community or junior colleges, or officers of private security firms licensed by the State of Mississippi contracted by the boards of trustees of state-supported community/junior colleges, are vested with the powers and subject to the duties of a constable for the purpose of preventing and punishing all violations of law on state-supported junior college grounds and for preserving order and decorum thereon. Peace officers appointed by the boards of trustees or officers of private security firms licensed by the State of Mississippi contracted by the boards of trustees shall have authority to bear arms in order to carry out their law enforcement responsibilities if such officers have been certified according to the minimum standards established by the Board on Law Enforcement Officer Standards and Training. The peace officers duly appointed by the boards of trustees of public community/junior colleges are also vested with the powers and subjected to the duties of a constable for the purpose of prevent-

ing all violations of law that occur within five hundred (500) feet of any property owned by the college, if reasonably determined to have a possible impact on the safety of students, faculty or staff of the college while on said property. Provided, however, that nothing in this section shall be interpreted to require action by any such peace officer appointed by a college to events occurring outside the boundaries of college property, nor shall any such college or its employees be liable for any failure to act to any event occurring outside the boundaries of property owned by the college. If a law enforcement officer is duly appointed to be a peace officer by a college under this section, the board of trustees of the public community/junior college may enter into a Memorandum Of Understanding with other law enforcement entities for the provision of equipment or traffic control duties; however, the duty to enforce traffic regulations and to enforce the laws of the state or municipality off of college property lies with the local police or sheriff's department which cannot withhold its services solely because of the lack of such an agreement.

Procedures for Reporting Campus Crime and Other Emergencies

Campus crime is a reality, and preventing it is a responsibility shared by all members of the campus community. Public apathy is a criminal's greatest ally. If you see or suspect criminal activity, you cannot assume that someone else has reported it. Whether you are a victim or an observer, you should report any possible crime, suspicious activity or emergency to the Campus Police. If you are suspicious, you may report a crime to the following areas:

SENATOBIA CAMPUS

Senatobia Campus Police	562-3314
Vice President for Student Services	562-3305
Dean of Students	562-3305
Assistant Director of Campus Life & Housing	562-3305

DESOTO CENTER

DeSoto Center Campus Police	280-6191
Dean of DeSoto Center	280-6122
Associate Dean of DeSoto Center	280-6125
Assistant Dean of DeSoto Center	280-6167

LAFAYETTE-YALOBUSHA TECHNICAL CENTER

Lafayette-Yalobusha Technical Center Campus Police	236-1951
Dean of Lafayette-Yalobusha Technical Center	238-7945

In an emergency, should you be unable to contact the Campus Police, simply dial 9-911 from your campus phone. Our office is located in the McLendon Student Center on the Senatobia campus. At DeSoto Center the information desk is located in the main lobby or at Lafayette-Yalobusha Technical Center at the Campus Police Office.

Students, faculty and staff should report all crimes and medical or fire emergencies to Campus Police. When a report is received, a police officer will go to the caller's location for investigation. When necessary, a follow-up investigation will be conducted by the department and coordinated with the local police agencies. In the case of a medical or fire emergency, the Campus Police will notify the appropriate emergency personnel.

When you call the Campus Police, please provide the following information:

- Your name;
- The location of the incident you are reporting;
- A description of any vehicles involved in the incident, especially a license plate number; and
- The nature of the incident.

Response to Reports of Crime

All crimes reported to the Campus Police are considered serious and are treated with the appropriate concern and attention toward solving the crime. Each officer is trained to perform investigations. All reasonable avenues of investigations

will be pursued concerning a complaint. The complainant will be notified in a timely manner of the results of the investigation.

A public crime log of reported crimes is maintained by the department and shared with interested people or organizations on a daily basis. The public log will not include any personally identifying information about the victim of reported crimes. Additionally, the campus community will be notified immediately about any pattern of crimes or incidents that seriously threaten campus safety. Individuals who regularly receive information concerning reported crimes include:

Vice President for Student Services	562-3305
Dean of Students	562-3305
Dean of DeSoto Center	280-6122
Dean of Lafayette-Yalobusha Technical Center	238-7945

Individuals who become aware of incidents or individuals that threaten the safety of the campus community, should immediately contact Campus Police or one of the individuals listed above.

Individuals who wish to report incidents of inappropriate behavior by students, but who do not want the incident investigated as a criminal offense, should make such report to the Dean of Students.

Individuals who wish to report incidents of inappropriate behavior by staff or faculty, but who do not want the incident investigated as a criminal offense, should make such report to the appropriate department chairperson or supervisor.

Northwest Mississippi Community College Policy Addressing the Issuance of Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the Chief of Campus Police and the Vice President for Student Services, constitutes an ongoing or continuing threat, a campus-wide “timely warning” will be issued. The warning will be issued through the college e-mail system to students, faculty and staff, Ranger Alert, and social media (Twitter, Instagram and Facebook).

Depending on the particular circumstances of the crime, but especially in all situations that could pose an immediate serious threat to our campus community, the Department of Campus Police may also post a notice on the campus police department’s Web page at www.northwestms.edu/index.php/?page_id=989.html.

Anyone with information warranting a timely warning should report the circumstances to the Campus Police Department immediately by phone at (662) 562-3314 or in person at the McLendon Student Center.

General Policies and Regulations

Missing Persons Policy

All concerns regarding a possible missing person (student, faculty, or staff) should be immediately directed to the Campus Police Office. Upon receipt of a missing person report, the Campus Police will initiate a priority investigation. An investigating officer will meet with the individual(s) making such a report and will gather the following information:

1. Essential information about the missing person—description, clothes last worn, possible location including last known destination, individuals the missing person might be with, known associates, and vehicle description. A recent photograph will also be secured.

2. The investigating officer will also gather information about the physical and mental well-being of the missing person. A current class schedule, class attendance information, job information and work schedule, or residence hall information sheet (if applicable), will be obtained.

3. Based upon information gathered in steps one and two, appropriate campus staff will be contacted and either questioned or notified regarding the missing person’s status.

4. If after the completion of steps one through three it appears that the person is actually missing, parents or an emergency contact person will be notified by the Vice President for Student Services or the Director of Campus Police. Each student may identify a contact person to be notified if the student is determined missing by Campus Police. The parents or guardian and contact person will be notified if the missing student is under 18 and not emancipated. Contact will be regis-

tered and maintained confidentially.

5. After consultation with the family of the missing person, the Campus Police will issue a regional welfare alert for the missing person through the National Crime Information Center. Further investigatory measures will be taken or additional notifications made based upon the circumstances of the individual case.

6. The Vice President for Student Services and/or Director of Campus Police will keep family apprised of the status of the investigation.

If You are Assaulted

If you are assaulted, call the Campus Police as soon as possible. Try to remember as much about the assailant as possible. Characteristics important in locating and identifying suspects include sex; race; hair color; body size; clothing; scars and other noticeable markings; mode of travel; and vehicle color, type and license plate number. In some incidents, the victim may already know the name of the person committing the assault. If you report an assault, the campus will be searched immediately for suspects, and neighboring police agencies may be notified.

If You See a Suspicious Person

If you see anyone acting suspiciously, call the Campus Police at once. Do not approach the person yourself. Report the type of activity you observed and describe the person or persons involved. Provide as much information as you can, such as the person's sex, race, location, type of clothing and type of vehicle. The Campus Police will investigate your report immediately. If all members of the campus community become security-conscious and report suspicious activity, thefts and related incidents will be reduced. Remember, preventing crime is your responsibility, too!

If You Receive a Bomb Threat

If you receive a bomb threat by telephone, obtain as much information from the caller as possible. Do not panic. Ask for (1) the location of the bomb, (2) the expected time of explosion, and (3) the type of bomb. Listen carefully to the caller's voice and any background noises. Such information may assist in identifying the caller. Call the Campus Police immediately. Campus Police, together with the building officials, will determine whether evacuation is required.

The most important thing to remember about preventing crime is that you should call police whenever you suspect that a crime has been or may be committed. You don't need proof in order to call. If you suspect a crime, call the Campus Police immediately.

Campus Security and Access to Campus Facilities

Although all Northwest campuses are open to the public, facility use is limited to educational and administrative activities and programs, and student or public events, approved by appropriate college authorities. Anyone requesting after-hours access to facilities must have the approval of the appropriate authority prior to the Campus Police allowing access. Unless authorized or attending an ongoing campus event, all non-students and commuter students must depart the Senatobia campus by 10 p.m.

College facilities and landscaping are maintained to minimize hazardous conditions. Malfunctioning lights and other unsafe conditions should be reported immediately to the Physical Plant Department by calling 562-3438, or, after business hours, by calling Campus Police.

Residence halls are a special concern. The on-campus residence halls and apartments currently house nearly 1,100 men and women during the academic year. Each resident is provided with a key to his or her own room. Main entrances of the residence halls are locked in the evening. After closing time, students may enter residence halls with main entrances, by using an ID card in the card access reader system installed in the main door. Only designated exits may be used after hours. Windows are equipped with locks operable by the room occupants.

Residence Hall Door Security

1. A student who enters or leaves the residence hall after closing hours is responsible for securing the outside door.
2. A student may not prop open or alter a door so that it will not properly close and lock.

3. A student may not admit unauthorized or uninvited persons after hours.
4. Any maintenance deficiencies that may compromise building security should be reported immediately to a residence hall supervisor. When a supervisor is not on duty, potential security problems should be reported to the Campus Police.
5. Security systems and security procedures are provided for your protection. You should follow these procedures at all times.
6. The first meeting of resident students each semester is designated as a time to review safety information and residence hall rules. Other topics related to safety and security issues are discussed with residents as needed.

Crime Prevention

Crime prevention at Northwest Mississippi Community College is a community-based program. Its' main goal is to improve the quality of life for members of the campus community; and involvement by all members of the campus community is essential to its success.

At Northwest positive measures and up-to-date crime prevention efforts complement reactive measures. A variety of proactive crime prevention efforts are in use by the Campus Police. Visible patrol units either walk the campus or patrol in golf carts or in marked vehicles. Police officers will provide walking or riding escorts upon request at the Senatobia, DeSoto Center and Lafayette-Yalobusha Technical Center campuses.

Weapons on Campus

The Northwest Board of Trustees recognizes that the possession of pistols, firearms or other weapons on college premises or at college functions by persons, other than duly authorized law enforcement officials, creates unreasonable and unwarranted risk of injury or death to the college's employees, students, visitors and guests. Because of such dangers, the Board hereby prohibits the possession of pistols, firearms or weapons in any form by any person, other than duly authorized law enforcement officials and the college's security officials, on the college's premises or at college functions, regardless of whether any such person possesses a valid permit to carry such pistols, firearms or weapons.

Alcohol and Illegal Drugs

Northwest Mississippi Community College prohibits the possession, use, manufacture or distribution of controlled substances; illegal drugs; or alcohol on college property, or as part of any college-sponsored or authorized activity. Any student or employee failing to observe the drug and alcohol policy will be subject to sanctions by the college in accordance with established disciplinary procedures found in the *Student Guide* or the Northwest Policy Manual. For students, sanctions may include fines, probation, suspension or expulsion. For employees, sanctions may include termination of employment. In addition to college sanctions, any student or employee found in violation of the drug and alcohol policy may be referred to the appropriate authorities for prosecution. Legal sanctions under local, state and federal laws may include fine and/or imprisonment. Information about drug education, counseling and rehabilitation programs may be found in the *Student Guide*.

Drug-Free School Policy

The possession, use, manufacture, or distribution of alcohol, unauthorized or illegal drugs, or the misuse of any legal drugs on college premises or at any college activity, is strictly prohibited and will constitute grounds for disciplinary action, which may include expulsion.

K-9 Drug Dogs on Campus

In seeking to maintain a drug-free campus, canine (K-9) drug detection dogs may be utilized to search all public and common areas in all campus parking lots and buildings for the purpose of detecting illegal drugs and narcotics.

The Director of Campus Police will arrange supervision and coordinate all canine searches with the assistance of campus police officers, appropriate housing personnel, administrators, and other local law enforcement agencies. Searches will be performed by handlers and canines trained and certified in the detection of illegal drugs/narcotics.

Canines will be allowed to search areas such as residence hall rooms, offices, and vehicles after the canine alerts to one of these areas, thus developing probable cause. Once probable cause is established, the canine will be allowed to enter the

room/office/vehicle in accordance with law and college policy and continue searching.

Upon any discovery of suspected illegal drugs/narcotics, persons who are determined to be in violation of state or federal law and/or college rules and regulations may be arrested and may face college disciplinary charges.

Disciplinary Action and Sanctions

Appropriate disciplinary actions will be taken in all cases in which a student violates provisions of the Northwest Drug-Free School Policy. Penalties and/or sanctions may include any one or a combination of the following:

1. recommended professional counseling;
2. letter of probation;
3. fine;
4. mandatory participation in an organized drug treatment program;
5. denial or termination of financial aid or scholarships; and/or
6. withdrawal, suspension, or expulsion from Northwest.

The circumstances surrounding the offense and the facts as determined by appropriate investigation will be fully reviewed prior to a decision on the action being taken.

Legal Sanctions

Local, state, and federal legal statutes contain sanctions for violations of laws concerning the use, distribution, manufacture, and/or possession of alcohol and illegal drugs. These sanctions include imprisonment for a period of time up to a term of life imprisonment, fines, supervised release, or any combination of the above.

In Mississippi the legal drinking age is 21. It is unlawful for a person under 21 years of age to possess alcoholic beverages, and the selling, giving, or serving of alcoholic beverages to persons under 21 is unlawful. In some counties of the state (designated as dry counties) the possession of any alcoholic beverages by any person regardless of age is prohibited.

Specific legal sanctions for violations of these laws are contained in the United States Code, the Mississippi Code 1972 Annotated, and local city and county laws and ordinances.

Health Risks Associated with Alcohol and Drug Use

Abuse of alcohol and illegal drugs, and the misuse of any legal drugs, can result in serious health consequences. Some health risks associated with the most common mood-altering substances include: organ damage; impairment of brain activity, digestion, and blood circulation; addiction; increased likelihood of accidents; increased risk of contracting hepatitis, AIDS, and other infections; various birth defects; respiratory paralysis; and death. The use of alcohol can lead to: loss of muscle control, poor coordination, and slurred speech; fatigue, nausea, and headache; impaired judgment; increased likelihood of accidents; alcoholism; damage to brain cells; hallucinations; personality disorders; increased risk of cirrhosis, ulcers, heart disease, heart attack, and cancer; and death.

Commonly abused mood-altering drugs include: narcotics (including heroin, morphine, codeine, hydrocodone, hydromorphone, oxycodone, methadone, fentanyl, Demerol, Percodan and others); depressants (including chloral hydrate, barbiturates, benzodiazepines, gluthimide, Valium and others); stimulants (including cocaine, amphetamine/methamphetamine, methylphenidate and others); cannabis (including marijuana, tetahydracannabinol, hashish, and hashish oil); hallucinogens (including LSD, mescaline and peyote, amphetamine variants, phencyclidines, and others); anabolic steroids (including testosterone, nandrolone, oxymethalone, and others); and designer drugs (including synthetic heroin, ecstasy, and other chemically modified forms of drugs).

This notice must be in writing to the Vice President for Student Services. A student with such a conviction may be subject to disciplinary action and may jeopardize the receipt of financial aid and scholarships.

Annual Distribution

The Drug-Free Workplace Certification Policy is included in the college's *Policy Manual*.

The Drug-Free School Policy is included in the *Student Guide* each year. The *Student Guide* is annually distributed to each student with the registration literature. This distribution is the responsibility of the Vice President for Student Services and Center Deans.

Biannual Review

A biannual review (every 2 years) of the drug prevention program will be conducted to determine its effectiveness, implement needed changes, and ensure that disciplinary sanctions are consistently enforced. The Vice President for Student Services will have the responsibility of appointing a committee to conduct the review.

A sample of students and employees will be surveyed to determine the effectiveness of the current policy and recommend any changes.

Recordkeeping

The President will appoint persons to be responsible for keeping and maintaining records of violations of this policy and the Drug-Free Workplace Certification Policy, including records of any penalties and/or sanctions imposed on students or employees. Student records will be maintained in the Student Services Office, and employee records will be maintained in the Human Resources Office.

Public Intoxication

The College forbids the possession and/or consumption of alcoholic beverages (including beer) on the campus and/or at any activity sponsored by a student organization at the College on college owned or controlled property. Drunkenness or evidence of intoxication is a violation of law on college property. Drunkenness can be caused by alcohol, drugs, narcotics, or other intoxicating substances.

The College will take additional steps with students who appear impaired to the point where they are drunk (not in control of themselves) on campus in order to protect that student and the campus community. Therefore, if in the opinion of appropriate college officials a student is impaired (public drunk), then the following action will be taken:

1. The student's parents or legal guardian will be called to come and take custody of the student (if the student is under the age of 18);
2. If the parent or legal guardian cannot be contacted, or if the parent or legal guardian refuses or is unable to take custody of the student, then the student will be arrested and transported to the county jail.

Endangerment Policy

Students who endanger their own physical well-being or disrupt the campus community, including threatening or attempting suicide, may be administratively suspended from the residence halls and/or the College. To be considered for reinstatement to the residence halls and/or the College, the student may be required to provide the Vice President for Student Services documentation signed by the student's physician or licensed mental health professional indicating that the student is not a threat to him/herself or the campus community.

Hazing

Hazing is forbidden. Hazing means any intentional, knowing, or reckless act, occurring on or off the campus, by one person alone or acting with others, directed against a student that endangers the mental or physical health or safety of a student for the purpose of affiliating with, holding office in, or maintaining membership in any organization which includes students.

Gang Related Activity

Northwest Mississippi Community College recognizes the need for rules and regulations that create a safe and healthy environment conducive to teaching and learning. As such, the College recognizes the importance of deterring students from emulating or contributing to the proliferation of gangs. A gang is defined by the College as "any ongoing organization, association or group of three or more persons, whether informal or formal, having as one of its primary activities the commission of criminal acts and having a common name or common identifying signs, colors, and/or symbols."

resolved promptly at the lowest possible level.

The filing of a written complaint is required for a matter to be formally investigated and a determination made on whether the College policy prohibiting sexual harassment has been violated. The formal complaint will consist of a signed statement containing the name(s) of the accused, the nature and date(s) of the incident(s), and an assertion that the statement is a formal complaint.

(b) "Credible threat" means a verbal or written threat to cause harm to a specific person or to cause damage to property that would cause a reasonable person to fear for the safety of that person or damage to the property.

(c) "Reasonable person" means a reasonable person in the victim's circumstances.

(9) The incarceration of a person at the time the threat is made shall not be a bar to prosecution under this section. Constitutionally protected activity is not prohibited by this section.

Reporting Violations and Receiving Assistance

The Campus Police Office is the principal office designated to receive reports of violations. The Police will assemble trained investigators, counselors, emergency medical technicians, outside law enforcement agencies, and others as needed to respond to particular incidents. Crisis intervention, assessment, direct support, and referral for the victim and the accused will be provided by appropriate staff members.

Any employee receiving a report of an alleged violation should refer the matter to the Campus Police or the Dean of Students. The person receiving the report will discuss options and resources with the person reporting the alleged violation.

Procedures for Reporting Violations

1. Go to a safe place as soon as possible.
2. Try to preserve all physical evidence. If you are reporting a violation that has occurred within the previous 72 hours, it may be possible to collect trace evidence of the offense. This evidence is important, particularly if you wish to prosecute the offender. Do not shower or bathe, wash your hands, use the toilet, change clothing, or wash your clothing or bedding. If you changed clothes, please place all of the clothing that was worn at the time of the incident in a paper (not plastic) bag.
3. Seek medical attention. Medical personnel will provide any necessary treatment and collect important evidence dur-

ing a physical examination. Campus Police are available to arrange transportation for victims to a local hospital where appropriate examinations may be conducted.

4. Call the Campus Police. To report an incident that has just occurred, or to report an incident at a later date, call the Campus Police. Victims are encouraged to bring a friend or family member for support. If the incident occurred off of NWCC controlled property, the NWCC PD will assist the victim in reporting the incident to the proper law enforcement entity.

Reporting an incident is a separate step from choosing to prosecute. We are concerned with the victim's welfare and want to ensure that the appropriate treatment and support are provided. When individuals file a report with the Campus Police, they are not obligated to continue with legal proceedings or disciplinary action.

Reporting an incident to Campus Police helps:

- Identify and apprehend the alleged assailant;
- Maintain future options regarding criminal prosecution, campus disciplinary action, and/or civil action against the perpetrator; and
- Protect the victim and others from future assaults by the same assailant.

When an incident is reported, a police officer will complete an incident report. An investigator/supervisor will be summoned to begin a prompt, fair, and impartial investigation into the offense. This process is important if the victim wishes to bring criminal charges at this or a later time. The victim will be asked questions about the incident, to identify any witnesses, and to tell what happened before and after the incident. Generally, the police work to safeguard the identity of the victim.

Campus Police will assist the victim in obtaining a restraining order, no-contact order (behavioral restriction), or any other valid court issued protective order. After a valid order is issued NWCC Police will enforce the order as instructed by law.

A victims' rights packet will provided to each victim of domestic violence, sexual assault, stalking, and other victim related crimes. A copy of the victims' rights packet is available at campus police or through any Campus Security Authority/Responsible Employee. The victim's rights packet will contain information about services available to the victim through the institution and through outside organization.

It is the victim's decision whether to involve the police in an incident. Deciding not to involve the police does not prevent the victim from seeking assistance from a counselor or other appropriate staff or faculty members.

5. A complainant may report a sexual assault to a "Campus Security Authority" (as defined by the Clery Act), or to a "Responsible Employee" (as defined by Title IX). The campus security authority/responsible employee may subsequently report the incident to the NWCC PD, or assist the victim in reporting the assault to NWCC PD. Campus security authorities and responsible employees on campus are governed by NWCC Policy and they are asked to immediately report any crimes reported to them to the NWCC PD for the purpose of assessing the crime for the potential distribution of a timely warning notice.

6. Seek counseling or other support. A victim who wishes to speak to someone confidentially is encouraged to contact the Student Development Center. Staff at the center are responsible for coordinating treatment and additional services including relocating the victim's on-campus living quarters, changing the victim's academic schedule, work situation, or school related transportation, if requested. The reason for requested accommodations will be kept confidential and not shared with faculty, support staff, etc.

Adjudicating Violations

In responding to alleged violations, the College seeks to provide redress for the victim/accuser, to provide due process for the accused, and to protect the campus community from the threat of such incidents.

Charges against a student will be handled by the Office of Student Services using the college disciplinary process described in this Annual Security Report. The Vice President for Student Services has the authority to temporarily suspend a student accused of sexual assault, domestic violence, dating violence or stalking, pending a hearing. Upon completion of any

necessary investigation, the Dean of Students will formally notify the accused student of any alleged violations of college policies and set a hearing date.

The accused and the accuser have certain rights throughout the hearing process. The rights of an accused student are listed on page 70 of this Annual Security Report.

The person filing the complaint (victim/accuser) has the following rights:

1. The accuser (alleged victim) may bring additional supporters, proportionate to the accused, in consultation and with permission of the appropriate disciplinary authority. Supporters may be an attorney, faculty member, another student, a parent, or a citizen at large. Should the accuser invite an attorney to be present at the hearing, the student must notify the Vice President for Student Services of such an invitation within 48 hours of the hearing. Supporters may address the committee only with the permission of the Chairman.
2. The accuser may submit a written impact report for consideration during the sanctioning phase of the proceeding.
3. The accuser will be simultaneously informed, in writing, the results of the informal or formal hearing.
4. The accuser will be further informed, in writing, of the right to appeal the decision and that they may utilize the same appeal process as the accused.
5. The accuser (alleged victim) will be informed of any change to the results that occurs prior to the time that such results become final.
6. The accuser will be informed of the final results.

Sanctions

A student found responsible of sexual assault, domestic violence, dating violence or stalking would receive a sanction ranging from expulsion to modified suspension with restrictions. A complete list of sanctions that could be assigned is listed on page 74 of this Annual Security Report.

Student Conduct Procedures

The President of Northwest Mississippi Community College has vested in the Dean of Students and designees, and the Student Disciplinary Committee, authority to determine if a student has violated a regulation of the College. After a hearing conducted according to the procedures outlined below, the proper disciplinary authority is authorized to determine if a student is responsible for the alleged violation and to determine the appropriate disciplinary sanction(s). All disciplinary hearings must be conducted according to Students' Rights of Fundamental Fairness as described.

The Rights of Fundamental Fairness

1. The student has the right to confront and/or cross examine his or her accuser(s).
2. The student has the right to call witnesses in his or her behalf.
3. The student has the right to present evidence in his or her behalf.
4. The student has the right to remain silent during the proceeding.
5. The student shall be presented a written statement of alleged violation(s).
6. The student has the right to counsel/adviser. Counsel/adviser is defined as a faculty member, relative, friend, or legal counsel.
7. The student defendant has the right to appeal the ruling of the respective authority according to the procedures herein described.
8. The student defendant has the right to request a formal hearing before the Student Disciplinary Committee or waive the right to a formal hearing and accept the proposed sanction of the Dean of Students or designee.
9. As provided by policy (cases involving domestic violence, sexual assault, and stalking, etc.) the accusing student will receive the same rights of fundamental fairness as the accused.

Disciplinary Authorities

1. **Dean of Students**—The Dean of Students has the responsibility to enforce the disciplinary policies of Northwest Mississippi Community College. The Dean is the principal hearing officer of the College regarding disciplinary violations. The Dean shall coordinate all investigations, prepare written reports, bring specific charges, ensure proper distribution of official written notices of the institution, and report on the findings to the Student Disciplinary Committee if an appeal to that committee is requested. The Dean may also recommend sanctions to be imposed and receive any student appeal of decisions and forward them to the proper authority. The Dean shall provide an audio recording and or transcript of the Student Disciplinary Committee hearing to the appeal authority and serve in an advisory capacity. The Dean shall enforce the final decision in all disciplinary action.

The Dean of Students is responsible for ensuring adherence to the Student Conduct Procedure regarding formal and informal hearings, for notifying appropriate campus offices of disciplinary actions when warranted, and for ensuring the appropriate maintenance, safety and security of all discipline records.

2. **Assistant Director of Campus Life and Housing**—The Assistant Director of Campus Life and Housing is designated by the Dean to assist in the enforcement of the Code of Student Conduct. The Assistant Director has the responsibility to notify the student of the charges, notify the student of hearings by the Student Disciplinary Committee, and convene the Student Disciplinary Committee. The Assistant Director is authorized to act as a hearing officer to conduct informal hearings, to present cases to the Student Disciplinary Committee, and to coordinate all recordkeeping, formal notices, etc. connected with disciplinary actions.

3. **Student Disciplinary Committee**—The Student Disciplinary Committee has the responsibility of hearing all cases involving violations of college policy, determining responsibility, and imposing sanction. The committee shall be composed of four faculty members, two staff members, and one student. An alternate will be named for each member should that member be unable to attend. The President of the College or his designee shall appoint all members. All committee members receive annual training on conducting their role in the hearing process, including such topics as domestic violence, sexual assault, stalking, victim safety, and standard of evidence. All members shall serve a term of one year or until their successors are chosen.

4. **Vice President for Finance**—The Vice President for Finance shall receive student appeals of Student Disciplinary Committee decisions forwarded by the Dean of Students. The Vice President for Finance will hear formal hearing appeals of Student Disciplinary Committee decisions only when the sanctions imposed do not include external suspension, residence hall dismissal, dismissal, or expulsion. His decision in such appeals will be final.

5. **President of the College**—The President of Northwest Mississippi Community College is the final authority on all disciplinary action taken by the institution. The President shall receive student appeals of Student Disciplinary Committee decisions forwarded by the Dean of Students. The President will hear appeals of Student Disciplinary Committee decisions only when the sanctions imposed include expulsion, external suspension, residence hall dismissal, or dismissal. His decision in such appeals will be final.

Student Conduct Adjudication Procedures

Listed below are procedures to be used by members of the College community and by disciplinary authorities in adjudicating such complaints. Complaints against a student organization shall be resolved using these same procedures. Reasonable deviations from these procedures by the College will not invalidate a decision or proceeding unless significant prejudice results from such deviation.

Filing a Complaint

Disciplinary action shall be commenced with the filing of a written complaint by the Campus Police, Campus Security Authority/Responsible Employee, or any member of the College community or guest of the College with the Assistant Director of Campus Life and Housing or designee. This report shall be filed stating the charge against the accused as well as facts supporting such a charge.

Informal Hearings

Upon receipt of a written complaint, the Assistant Director of Campus Life and Housing shall direct the accused student by letter, telephone, or campus appearance ticket to schedule within two (2) working days, an appointment with the Assistant Director or other hearing officer for an informal hearing. At the informal hearing, the hearing officer will:

1. Provide the student with the charge as well as the facts supporting the charge.
2. Review the charge and facts with the student. After review, the hearing officer may dismiss the charge should he determine that the charge is not valid. Should the hearing officer determine the charge is valid, the student has two hearing options:
 - a. to accept responsibility for the charge, waive his or her right to a formal hearing, and request that the informal hearing continue; or
 - b. to plead not responsible for the charge and request a formal hearing before the Student Disciplinary Committee.

The hearing officer has the right to decline to hold an informal hearing and forward the case to the Student Disciplinary Committee for a formal hearing.

If in an informal hearing the student accepts responsibility for the charge and waives his/her right to a formal hearing, the hearing officer will follow the following procedure:

1. The hearing officer will discuss the violations with the student and determine appropriate sanctions. In determining sanctions, the hearing officer will review and consider any previous violations of policy by the student. The hearing officer will then complete an Informal Discipline Hearing Action Form. The form shall specify both the violations and the assigned sanctions.
2. Should the student decide to accept responsibility for the violations and the sanctions specified, he/she should then sign the form. The hearing officer will provide the student with a copy of the signed form. The student has three (3) working days in which to revoke, in writing, his/her acceptance of responsibility and request a formal hearing.
3. Should the student accept responsibility for the violations but not the sanctions, the student may request a formal hearing with the Student Disciplinary Committee. The student and hearing officer will then both complete a Request for Formal Hearing Form.

Should a student fail to schedule an informal hearing, the hearing officer will schedule the informal hearing and send notice of such hearing to the student's campus or permanent address. The hearing may be no earlier than four (4) working days from the sending of the notice. Should the student fail to appear for the hearing the hearing officer may hear the case in the student's absence. Results of the hearing will be sent to the student's campus or permanent address. The student may appeal the decision according to Informal Hearing Appeal Procedures.

Formal Hearings

Notice of Hearing

The accused student shall be given notice of his/her hearing before the Student Disciplinary Committee. This notice should be in writing and shall state the regulations allegedly violated as well as the facts underlying each alleged violation. The student shall be notified of the date, time, and place of the hearing.

Notice of the hearing will be presented to the student 48 hours prior to the hearing, when possible.

The accused student may request a delay in the hearing from the Dean of Students. The Dean may grant such requests as he deems appropriate. At the beginning of a hearing, the accused student may also request a delay from the Student Disciplinary Committee. Such requests will be granted only in the most unusual circumstances.

Hearing Procedures

1. Disciplinary hearings are of a private and confidential nature involving the student and the Student Disciplinary Committee. They are closed to the public.
2. All proceedings will be conducted promptly on a fair and impartial basis. Both the accused and accuser are each permitted to challenge up to two members of the committee on the basis of partiality. The committee as a whole shall rule by majority vote on all challenges. A committee member is obligated to excuse themselves from the proceedings if they are unable to remain impartial.

3. The order of the hearing is as follows:
 - a. presentation of the charge(s);
 - b. a call for the accused's response to the charge(s);
 - c. supporting testimony and information and/or witness on the charge(s);
 - d. presentation of the accused's testimony, witnesses, and supporting information; and,
 - e. examination and questioning by members of the committee both during and following the presentation of charges and the accused's defense.
 - f. The accused may only question their accuser and opposing witnesses through the Committee Chair.
4. The accused may bring an adviser of his/her own choice to the hearing. This adviser may be an attorney, faculty member, another student, a parent, or a citizen at large. Should a student invite an attorney to be present at the hearing, the student must notify the Dean of Students of such an invitation within 48 hours of the hearing. The adviser may address the committee only with the permission of the Chairman.
5. The first decision to be made by the committee is a finding on the question of whether or not the student is responsible for the alleged violation. When determining responsibility, the committee will use a preponderance of the evidence standard (i.e., it is more likely than not that the violation occurred). If a student is found responsible for the charges, a decision on the application of sanction must be made. These are distinctly separate decisions.
6. Committee deliberations on the questions of responsible or NOT responsible will be closed to all but committee members. They will consider only information pertinent to the charge(s).
7. The President of the College will advise the accused student of the committee's decision and its application of sanction in writing.
8. The accused will be further informed in writing of his/her right to appeal and how to pursue the appeal process.
9. A record of the hearing will be made and stored in the office of the Dean of Students. Recordings may be disposed of immediately following the conclusion of the appeal process.
10. The presiding officer at any hearing may modify, amend, or change these recommended procedures in order that the accused student may have a hearing more fully in compliance with principles of basic fairness.
11. In cases related to domestic violence, sexual assault, and stalking:
 - a. The accuser (alleged victim) may bring additional supporters, proportionate to the accused, in consultation and with permission of the appropriate disciplinary authority. Supporters may be an attorney, faculty member, another student, a parent, or a citizen at large. Should the accuser invite an attorney to be present at the hearing, the student must notify the Vice President for Student Services of such an invitation within 48 hours of the hearing. Supporters may address the committee only with the permission of the Chairman.
 - b. The accuser will be simultaneously informed, in writing, the results of the informal or formal hearing.
 - c. The accuser will be further informed, in writing, of the right to appeal the decision and that they may utilize the same appeal process as the accused.
 - d. The accuser (alleged victim) will be informed of any change to the results that occurs prior to the time that such results become final.
 - e. The accuser will be informed of the final results.

Appeal Procedures

Appeal of Formal Hearing

1. After a formal hearing the student has the right to appeal the decision of the Student Disciplinary Committee.
2. The appeal must be made to the Dean of Students in writing within three (3) days after the student has received written notice of the decision of the Student Disciplinary Committee.
3. The Dean shall forward all appeals not involving the sanctions of external suspension, dismissal, or expulsion to the Vice President for Finance.
4. All appeals involving sanctions of external suspension, dismissal, or expulsion must be forwarded to the President.
5. All appeals must be forwarded within two (2) working days.
6. The Vice President for Finance or President shall notify the student in writing as to their decision within a reasonable amount of time. Simultaneous notification to the accuser will be made as per policy. Their individual decisions are final.

Disciplinary Sanctions

The range of disciplinary sanctions includes, but is not limited to, the following:

Expulsion—Permanent separation from Northwest Mississippi Community College, with denial of right of student to participate in any academic or other activity. The student is never allowed to visit any of the college's premises. The expulsion notice must be signed by the President of the College.

Dismissal—Separation from Northwest, with the student not allowed to reapply for admission. The student is not allowed on college premises without specific written permission from the Vice President for Student Services.

External Suspension—Separation from Northwest for a specific period of time. The student is not allowed on college premises without specific permission from the Vice President for Student Services.

Interim Suspension—Temporary suspension from Northwest while awaiting a hearing (see interim suspension procedures).

Modified Suspension—All privileges, except to attend class and use learning resources, are suspended for a period of time. The student is allowed on campus only to attend class and use learning resources. Student must observe all other stipulations specified under his or her suspension. Student must leave campus no later than 4 p.m. unless otherwise specified.

Withdrawal—Student is withdrawn from school. No entry is made on official records other than withdrawal. He/she may return to school at the end of a specified time.

Disciplinary Probation—Student is no longer considered in good standing in terms of conduct. Further violations of regulations during a probationary period may result in suspension, dismissal, or expulsion. Certain student privileges are suspended during a probationary period.

Restitution—Student must replace any private or public property that has been damaged or destroyed.

Restriction—Student is restricted from entering certain facilities or from specified student privileges.

Behavior Restriction—Student is restricted from having any contact with a specific student, staff, or faculty member while on any campus of Northwest Mississippi Community College. Contact is defined as any verbal communication, electronic communication, physical touching or close physical proximity. This includes harassing phone calls and e-mails.

Community Service—Specified work hours with a campus office or community service.

Mandatory Counseling/Educational Sessions—Behavioral counseling or educational sessions on a stated regular basis.

Residence Hall Dismissal—Required to vacate a residence hall for violation(s) of residence hall policies and/or other institutional policies. Students are not allowed to visit any residence hall when assigned this sanction.

Fine—Student is fined for violations of policy; amount of fine will vary depending upon the nature and severity of offense.

Warning—Issued for minor infraction of policy. Further violations will result in more serious sanctions.

Parental Notification—Northwest reserves the right to notify parents of disciplinary infractions according to law.

Resident students appealing the sanctions of expulsion, dismissal, suspension, modified suspension, or residence hall dismissal may be required to temporarily vacate the residence halls while the appeal is pending.

Northwest Mississippi Community College does not utilize corporal punishment as a discipline or behavioral sanction. The use of such is prohibited.

Alternative Resolution

A student may be given the opportunity for an alternative resolution when a policy violation (certain residence hall regulations, tobacco policy, dress code, etc.) occurs for the first time and in which an educational sanction is a more appropriate resolution. Most alternative resolutions would mean attendance by the student at an educational or information session regarding the subject of the violation. Once the student has attended the session, no fines or other sanctions will be assessed regarding the violation. No formal student conduct record will be created. Records of attendance will be kept for the duration of the academic year (fall-spring) and then destroyed. During that time period, attendance records may be referred to in the case of a second violation. Participation by a student in an alternative resolution is voluntary.

Interim Suspension Procedures

Any student charged with or convicted of a violation of the law or college regulation injurious to the health and welfare

of the college community, shall be subject to immediate administrative suspension with or without prejudice, depending upon the nature and circumstances of the case, by the President of the College or his delegate. A hearing regarding the student's conduct and the appropriateness of the suspension must be held as soon as practicable.

Should the administrative suspension be of such duration as to cause a violation of the class absence policy, the College, at its discretion, may withdraw the student from classes with a grade of "W" to avoid failing grades being entered on the student's permanent record. Such a withdrawal will normally be made in consultation with the student.

The conviction of a student for a criminal offense which interferes with the orderly educational operation of the College or of a nature that, if the student were allowed to remain enrolled, would endanger the health, safety, or property of the college community, shall be sufficient grounds for disciplinary action consistent with the College's policies and procedures.

Involuntary Withdrawal Procedures

The College is responsible for taking reasonable steps to foster a campus environment conducive to learning. Some students may, because of a medical or other condition, engage in behavior that presents a direct threat of harm to others, or substantially disrupts the learning or working environment. A direct threat means a significant risk of harm to health or safety.

In such cases, as an alternative to disciplinary action, the Dean of Students or designee may require a student to withdraw from the College, take a leave of absence, or vacate a residence hall. Such a decision shall be communicated in writing to the student and must specify the terms of the decision, including reasonable conditions for re-entry.

A student who threatens to commit, or attempts to commit, suicide shall not be subject to disciplinary action or involuntary withdrawal for simply that threat or attempt.

If a student's behavior presents an immediate, severe and direct threat to others, or is substantially disrupting the learning or working environment, the Dean of Students or designee may impose an interim suspension before a final determination of the matter.

Should a student dispute the decision of the Dean of Students or designee regarding withdrawal or leave of absence, a student may appeal the decision to the Involuntary Withdrawal Appeal Committee. The Committee, appointed by the President, shall consist of two members of the faculty, one of whom shall serve as chair, a member of the faculty or staff who possesses counselor credentials, and a member of the staff. Written notice of the time or date of the hearing shall be given to the student at least two working days in advance, unless the student consents to an earlier hearing. The student may request a reasonable delay of the proceeding.

At the hearing, the Dean of Students or designee shall present a statement of the reasons for the withdrawal or leave of absence. The student has the right to present their reasons for disputing the withdrawal, to present witnesses and evidence on his or her behalf, to cross examine witnesses, to remain silent without assumption of responsibility, and to be assisted by legal counsel or an adviser.

After the evidence is presented at the hearing, the Committee shall determine whether the College has reasonably proven that the student's behavior presents a direct threat of harm to others, or has substantially disrupted the learning or working environment, and presents a significant risk of threatening further substantial disruption. The Committee may uphold or overturn the decision of the College, or alter it by imposing other reasonable remedies or set other appropriate conditions for re-entry. The decision of the Committee is final.

Recordkeeping

The Dean of Students shall keep on file all official records pertaining to disciplinary actions. These records are open to examination only according to the College's privacy regulations. Victims of acts by other students are allowed access to the sanctions of the perpetrator but are forbidden to share such information with others. Records on students who have received external suspensions, expulsions, or dismissals will be permanently maintained. All other records will be destroyed four years after an individual ceases to be a student.

Expulsion Sunset Provision

After five (5) years, an expelled or dismissed student may petition for the removal of the sanction. The request should be mailed or delivered to the Dean of Students and must include the following:

1. An outline of the individual's educational plan;
2. Reasons for the request of reinstatement of educational privileges; and
3. A signed release allowing school officials to check criminal history.

Upon receipt of a complete petition, the Dean of Students will review and forward the petition to the Admissions Committee with his recommendation. The Admissions Committee meets regularly prior to each semester.

Crime Statistics

Northwest Mississippi Community College reports campus crime statistics using the Uniform Crime Reporting system. Crime statistics for the most recent three-year period follow.

Northwest Mississippi Community College is committed to creating and maintaining a community in which students, faculty, and staff can work together in an atmosphere free of the threat of sexual assault. Every member of the college community should be aware that the college considers personal physical safety of students and employees to be a minimal prerequisite for the establishment of a learning environment.

Definitions of Crimes

Pursuant to the Clery Act, crimes must be classified based on the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting Handbook (UCR).

Criminal Offenses

Murder and Non-Negligent Manslaughter: The willful (non-negligent) killing of one human being by another. Deaths caused by negligence, attempts to kill, assaults to kill, suicides, and accidental deaths are excluded.

Forcible Sex Offenses: Any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent (i.e., forcible rape, forcible sodomy, sexual assault with an object, or forcible fondling).

Non-Forcible Sex Offenses: Unlawful, non-forcible sexual intercourse (i.e., incest or statutory rape).

Robbery: The taking, or attempting to take, anything of value from the care, custody, or control of a person or persons by force, or threat of force or violence, and/or by putting the victim in fear.

Aggravated Assault: An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. Simple assaults are excluded.

Burglary: The unlawful entry of a structure to commit a felony or a theft. Attempted forcible entry is included.

Motor Vehicle Theft: The theft, or attempted theft, of a motor vehicle. A motor vehicle is self-propelled and runs on the surface and not on rails. Motorboats, construction equipment, airplanes, and farming equipment are specifically excluded from this category.

Arson: Any willful or malicious burning, or attempt to burn, with or without intent to defraud; a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Hate Crimes

Any criminal offense (as listed above) committed against a person or property which is motivated, in whole or part, by the offender's bias. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, religion, disability, sexual orientation, or ethnicity/national origin.

The Clery Act Categories of Bias

Race: A preformed negative attitude toward a group of persons who possess common physical characteristics (e.g., color of skin, eyes, and/or hair; facial features, etc.) genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind (e.g., Asians, blacks, whites).

Gender: A preformed negative opinion or attitude toward a group of persons because those persons are male or female.

Religion: A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe, and the existence or nonexistence of a supreme being (e.g., Catholics, Jews, Protestants, atheists).

Sexual orientation: A preformed negative opinion or attitude toward a group of persons based on their sexual attraction toward, and responsiveness to, members of their own sex or members of the opposite sex (e.g., gays, lesbians, heterosexuals).

Ethnicity/national origin: A preformed negative opinion or attitude toward a group of persons of the same race or national origin who share common or similar traits, languages, customs, and traditions (e.g., Arabs, Hispanics).

2016 Annual Fire Safety Report

Policy: Fire Safety Reporting and Disclosures

Introduction

As required by the Higher Education Opportunity Act (“HEOA”), Northwest Mississippi Community College has established the following reporting and disclosure procedures with respect to fire safety in on-campus student housing for the Senatobia Campus. The reporting and disclosure requirements described below apply only to fires that occur on the Senatobia on-campus student housing, which is defined as student housing that is owned or controlled by Northwest Mississippi Community College or located on property that is owned or controlled by Northwest Mississippi Community College, and located within the reasonably contiguous geographic area that makes up the Senatobia Campus.

The goal of the Northwest Mississippi Community College and Campus Police is to provide students in on-campus housing with the information and training necessary to keep them safe from fires.

Reporting Fires to Campus Authorities

Northwest Mississippi Community College students and employees should report all fires that occur in Senatobia on-campus student housing to the Senatobia Campus. The Northwest Mississippi Community College Police Department is located at 103 Union Drive (1st Floor), and can be contacted by calling 662-562-3314. Any reports that may be made to other personnel, such as a Residence Hall Supervisor or other resident staff, should be referred to the Campus Police Office. Northwest Mississippi Community College has an incident report form in which all information pertaining to the fire incident is documented. After a report of a fire has been made to the Campus Police Office, the Campus Police Office will complete an incident report form for the fire, and the report will be included in the Daily Fire Log referred to below.

All fires should be immediately reported to the Senatobia City Fire Department by dialing 911 or 662-562-4434.

Fire Safety Disclosures

With respect to fires on the Senatobia Campus and other on-campus student housing, the Northwest Mississippi Community College makes three disclosures. It publishes an annual fire safety report for each campus, it annually reports its fire statistics to the U.S. Department of Education (the “Education Department”), and it makes, keeps, and maintains a daily fire log for each campus. The procedures for each of these three disclosures for the Senatobia campus are described below.

The Senatobia Fire Department

The Senatobia Fire Department is a full-time, professional, full-service fire department, on duty 24 hours per day, 365 days per year. The department responds to all types of fire, medical, and hazardous material emergencies both in the town of Senatobia and on the Northwest campus. The Senatobia Fire Department is comprised of a chief, four captains, 14 full-time firefighters, and a fire inspector. The department also provides EMS first response from the EMT level. The Fire Station is located off of Main Street in Senatobia at 137 Front Street. Their direct number is 562-5631.

Annual Fire Safety Report

Each Northwest Mississippi Community College campus publishes an Annual Fire Safety Report. The Chief of Police is responsible for collecting the required information and publishing the report for the campuses. The Annual Fire Safety Reports are published concurrently with each campus’ Annual Campus Police Report as permitted by the HEOA regulations so long as the title of the report states that the report contains both the fire safety and campus security information. This is the Annual Fire Safety Report for the Senatobia Campus, and contains the information described below.

Rules on Portable Electrical Appliances, Smoking, and Open Flames in a Housing Facility

In general, residents are expected to maintain adequate standards of cleanliness to avoid fire hazards and must not obstruct sidewalks, entrances, passages, fire escapes, elevators, lobbies, stairways, corridors, or halls with personal property. The following items are prohibited in the residence halls and will be confiscated:

- Flammable decorations
- Natural or artificial trees
- Electric heaters, air conditioners, hot plate burners, toasters, toaster ovens or any appliance that would generate a direct heat source
- Halogen lighting equipment
- Candles*, incense, outdoor grills, or any other type of open flame or open coil device
- Explosives, fireworks, firearms, or ammunition

* *This applies to all candles, including Shabbat and Hanukkah candles. Shabbat and Hanukkah candles may be kindled only in officially designated areas. An incandescent electric light should be utilized in student rooms for Shabbat candle lighting purposes.*

Refrigerators are permitted only in accordance with official specifications.

Smoking is prohibited everywhere on all Northwest Mississippi Community College campuses.

Students found in possession of prohibited items will be subject to disciplinary action. If you have any questions or concerns regarding fire safety, please contact the Northwest Mississippi Community College Housing Office at 662-562-3305.

Deliberate fires of any size will not be tolerated; the deliberate setting of a fire will be treated as arson. False alarms are dangerous and will be treated seriously.

Housing Procedures for Evacuation in Case of a Fire

EMERGENCY EVACUATION: General Emergency Fire Safety Instructions

- Keep calm. Do not panic. Notify the Fire Department as soon as possible. Fire Department personnel will be on the scene of a fire within minutes of receiving an alarm.
- If your building is equipped with a fire alarm and that alarm is sounded, you should evacuate the building in accordance with the procedures outlined in the Fire Safety Notice affixed to the back of the room/suite entry door. **WHEN A FIRE ALARM SOUNDS, ALWAYS EVACUATE THE BUILDING.**
- Because flame, heat, and smoke rise, generally a fire on a floor below your room or apartment presents a greater threat to your safety than a fire on a floor above. Do not overestimate your ability to put out a fire. Most fires cannot be easily or safely extinguished alone. Do not attempt to put a fire out once it begins to quickly spread. If you attempt to put a fire out, make sure you have a clear path of retreat from the room.
- When exiting the building during a fire, close all doors as you exit to confine the fire.
- Heat, smoke, and gases emitted by burning materials can quickly choke you. If you are caught in a heavy smoke condition where visibility is poor, get down on the floor and crawl. Take short breaths, breathing through your nose.
- If your clothes catch fire, don't run. Stop where you are, drop to the ground, cover your face with your hands to protect your face and lungs, and roll over to smother the flames.

Campus Policies Regarding Fire Safety Education and Training Programs, Which Include the Procedures that Students and Employees Should Follow in the Case of a Fire

Periodic evacuation drills in the Senatobia on-campus residence halls are conducted in conjunction with the Campus Police. These drills are an important means of preparing residents to respond to the sounding of the fire alarm. Residents must evacuate the building immediately upon hearing the fire alarm. Residents who do not evacuate the building during an evacuation drill are subject to disciplinary action.

Residents of the Senatobia on-campus residence halls also receive residence hall-specific information about fire safety and evacuation procedures at the beginning of each semester. Residents and their guests are responsible for knowing the fire protection features of the building (i.e. fire exits, stairways, alarm pull stations), as well as the fire safety procedures for the building.

Residents should report any problems or inappropriate behavior observed, including damaged or tampered with fire alarms, removal of fire exits signs, missing fire extinguishers, and behavior that compromises the safety of the community.

List of the Titles of Each Person or Organization to Which Students and Employees Should Report that a Fire Occurred

At the onset of a fire, students and employees should immediately report all fires to the Senatobia City Fire Department by dialing 911 or 662-562-4434. The Northwest Mississippi Community College Campus Police Department should be notified as well by calling 662-562-3314.

Any Plans for Improvements in Fire Safety, Should Northwest Mississippi Community College Determine that Improvements are Necessary

The installation of new fire evacuation plans in each room and other new safety signage is being completed.

Annual Report to the U.S. Department of Education

As required by federal law, Northwest Mississippi Community College reports annually to the Education Department the fire statistics listed herein for Senatobia on-campus student housing as well as fire statistics for on-campus student housing for its other campuses. Northwest Mississippi Community College reports these statistics through the Education Department web-based data collection system.

Daily Fire Log

As required by federal law, each Northwest campus maintains an easily understood written Daily Fire Log. Each Campus Police Office is responsible for maintaining the Daily Fire Log.

The Daily Fire Log lists the following information for each fire that occurs in on-campus student housing: the date the fire occurred, time of occurrence, general location and nature of fire.

Each Campus Police Office makes entries in the Fire Log within two business days of receiving a report of a fire and updates those entries within two business days anytime it receives additional information about the fire. The entries in the Daily Fire Log are eventually used to generate the Annual Fire Safety Report. Each campus maintains its own Daily Fire Log in its Campus Police Office. The Daily Fire Log is kept separate from the Crime Log. The most recent 60 days of each campus' Daily Fire Log are available upon request in the Campus Police Office for inspection by the public Monday through Friday during business hours. Portions of the Daily Fire Log that are older than 60 days will be made available within two business days of a request for public inspection. Northwest Mississippi Community College maintains each Daily Fire Log for three years following the publication of the last Annual Fire Safety Report to which that Daily Fire Log applies. Thus, Northwest maintains each Daily Fire Log for a period of at least seven years.

Annual Security Report

The Annual Security Report is prepared in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Copies are available during business hours at the Campus Police Office or Department of Campus Life and Housing. The Daily Crime Log is also available for inspection at each Campus Police Office during business hours.
