

NORTHWEST ALUMNI ASSOCIATION

Alumnus of the Year Nomination Form

The Northwest Alumni Association presents the Northwest Mississippi Community College Alumnus of the Year Award at Homecoming each year. To be eligible for this distinction, nominees must be alumni of Northwest Mississippi Community College, having attended at least 15 years ago for one semester or more. Graduation from Northwest is not necessary for consideration in the selection.

Nominations can be made by any NWCC alumnus, faculty, or staff member. Eligible nominees who are not selected will remain on file for three years. Each nomination must be submitted with one letter of recommendation. The letter should include civic and professional accomplishments, as well as any involvement with NWCC. Feel free to attach additional material which would support your nomination.

Considerations when selecting a nominee:

- Has the individual made a mark of distinction in his/her profession and community?
- Does the nominee demonstrate integrity in his/her personal life?
- Has the individual maintained connection with NWCC? (attending events, financial support, vocal support, children attend NWCC)
