

Student Directions to purchase Pre-Admission Practice questions.

Please have the students complete the steps below:

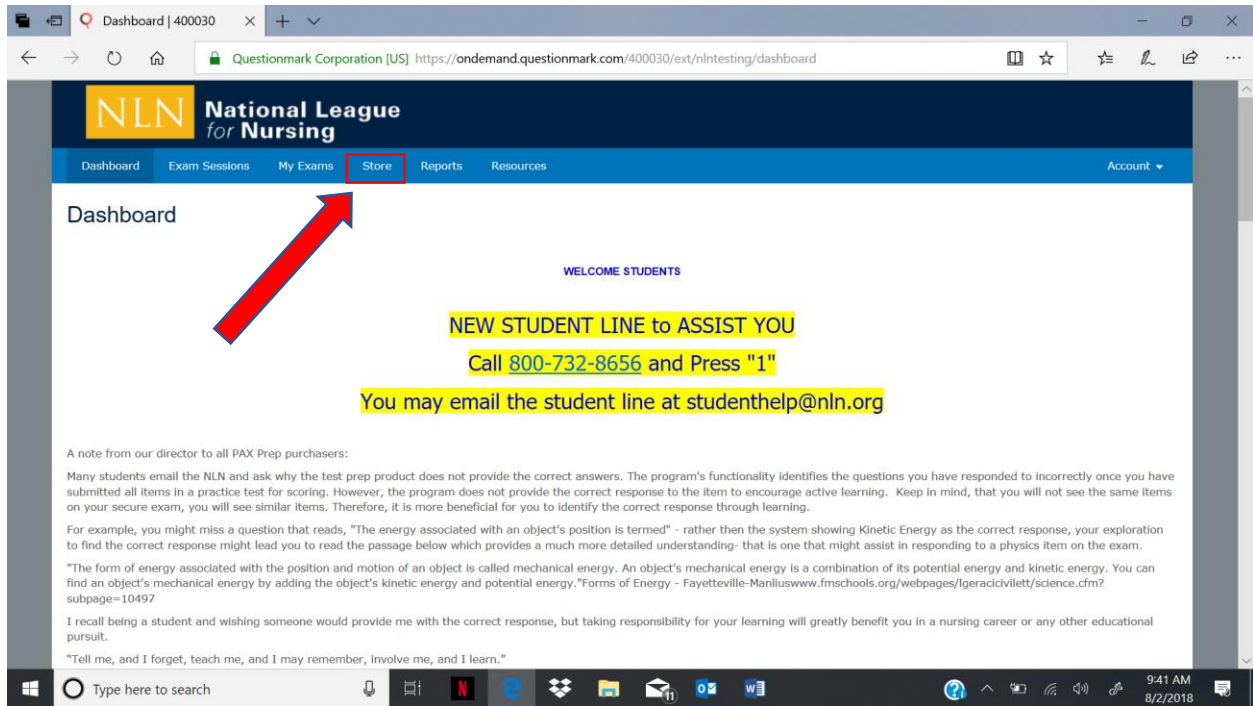

1. Direct browser to www.nlnonlinetesting.org

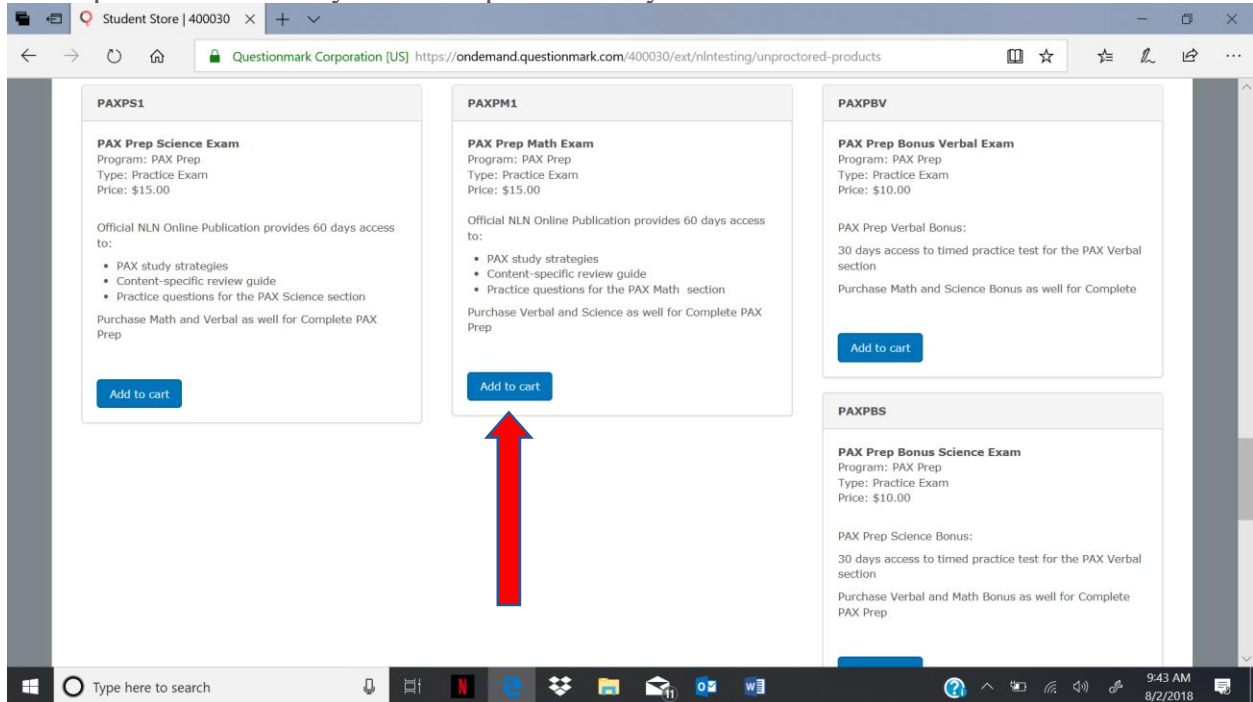

2. Login to account with user name and password. If they do not have an account click on "Create New Account" (Note: The student must select the school that they are applying to)

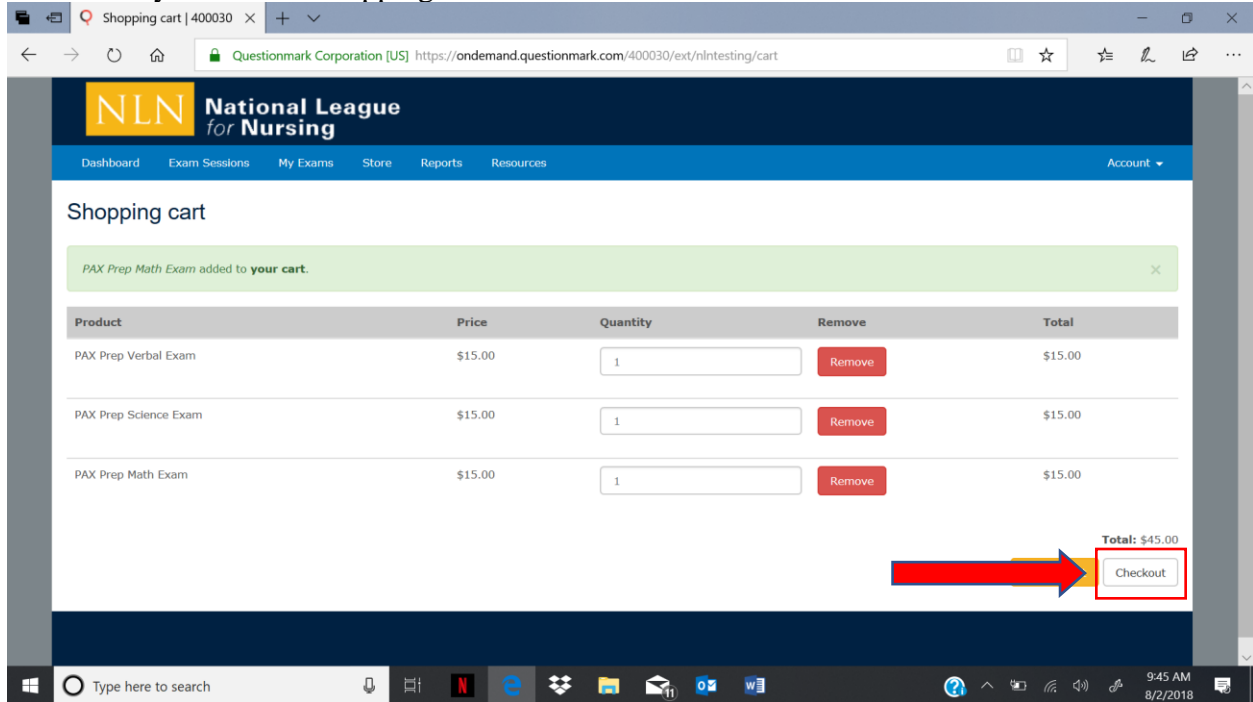

3. Once the student has logged into their account they will need to click on “Store tab” at the top of the screen

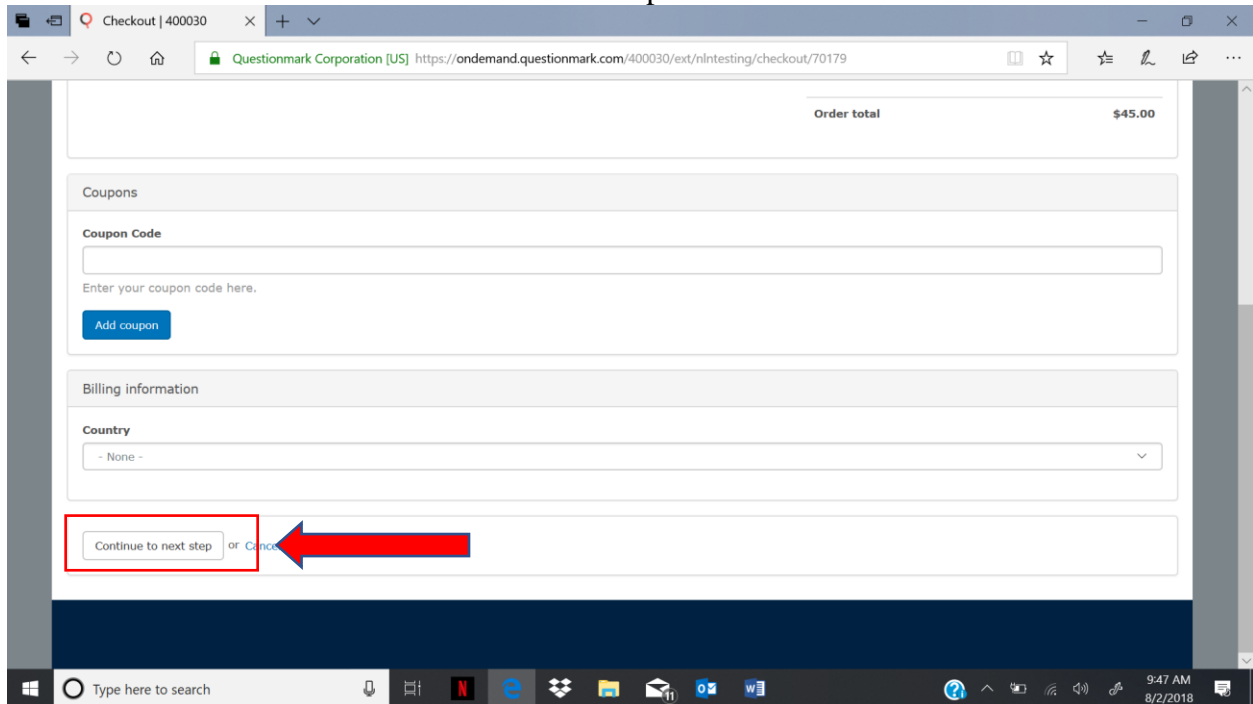

4. The student should scroll down and look for one or all practice exams. They are labeled PAX Prep Verbal Exam, PAX Prep Science Exam or PAX Prep Math Exam and depending on which practice exams they choose to purchase they will click on the "Add to Cart" Button.

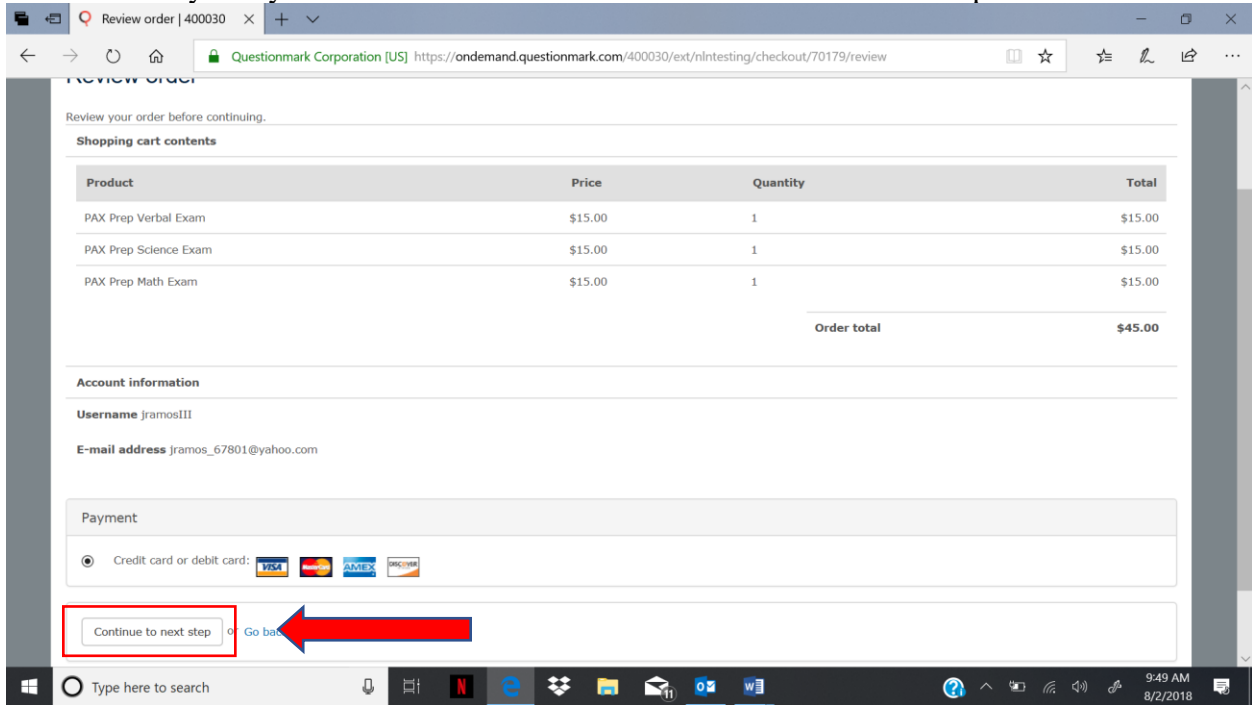

5. Once they are on the Shopping Cart screen the students will click on the "Checkout" button

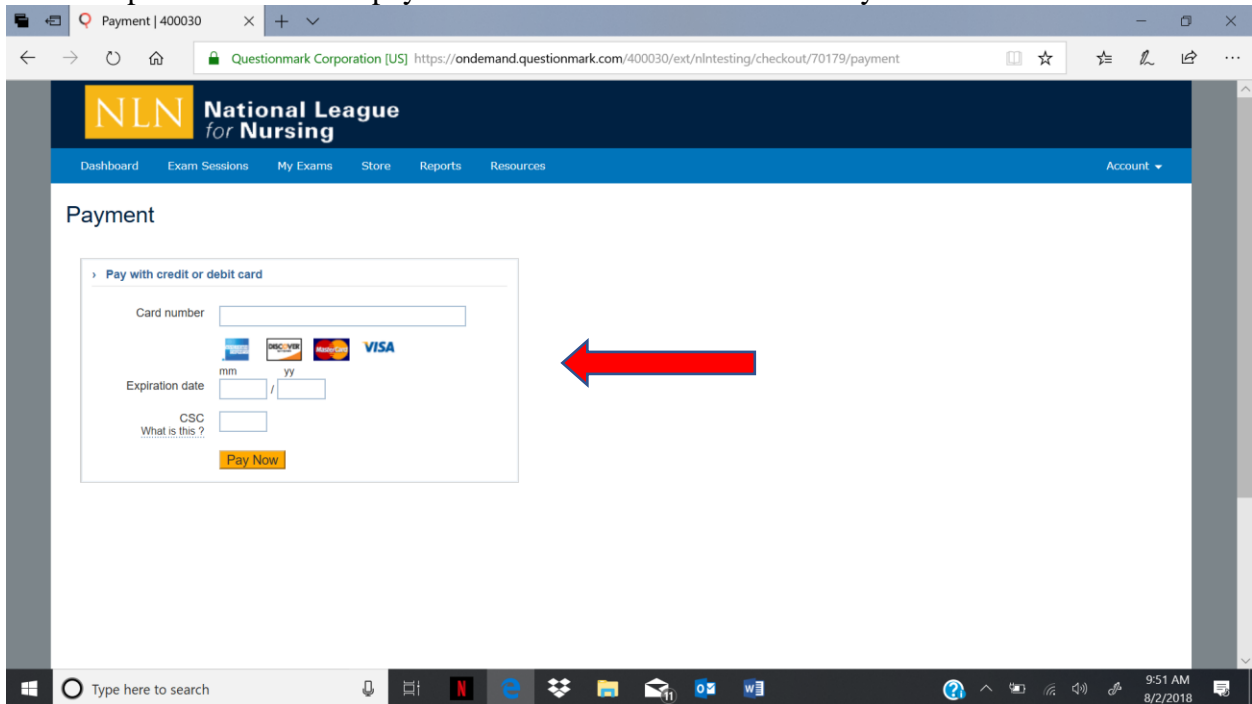

6. The student MUST click "Continue to Next Step" button

7. Please verify that your order is correct and click on “Continue to next step”.

8. Please provide method of payment information and click on “Pay Now”

Once completed students will need to click on “My Exams tab” and the practice exam title will be listed under Practice Exams with a "Launch" button to start the practice test.
