

FREQUENCY OF SAP CALCULATION: Beginning with the 2014-2015 Academic Year, student SAP will be checked at the end of the spring term.

NOTIFICATION OF INELIGIBILITY: Students will be notified through their myNWCC student portal under Financial Aid Status and/or Financial Aid Requirements or by email from a financial aid counselor.

FINANCIAL AID SUSPENSION: Students on Financial Aid Suspension are no longer eligible for Federal Student Aid which includes Pell Grant, Work-Study, SEOG, Student Loans, or PLUS Loans. The student may pay out-of-pocket and attempt to get back into compliance with the SAP requirement, or the student may appeal the suspension if there were any extenuating circumstances that prevented him/her from meeting the SAP Requirements.

FINANCIAL AID PROBATION: Students on Financial Aid Suspension and who have an appeal approved will be placed on Financial Aid Probation and will be eligible for Federal Student Aid for one year. At the end of the spring semester, the student must be meeting SAP requirements or successfully following an academic plan devised by the school. Students who fail to meet these conditions of their appeal will be placed on Financial Aid Suspension.

APPEAL PROCESS: Any student being denied Federal Student Aid due to not meeting SAP requirements (whether due to exceeding the total hours, percentage completion, or GPA) may appeal if some extenuating circumstance such as illness of student, severe injury of student, death of close relative of student or other undue hardship such as lack of transportation, incarceration of student, or other circumstance as determined by the Financial Aid Appeals Committee. We advise students who find themselves needing to use the appeals process to review their Northwest transcript and read the SAP Policy before completing the SAP Appeal Form.

Appeals will be considered on their own merit. Appeals may be denied. Students will be notified through their myNWCC student portal or by email from a financial aid counselor. Appeals will generally be reviewed within 3 days after they have been received.

How to file an appeal: Submit your appeal online at www.northwestms.edu. First, click on APPLY then Financial Aid, then go to Resources & Forms for the Financial Aid SAP Appeal Form instructions.

You must explain in your appeal the reason why you failed to maintain SAP and provide documentation such as accident reports, physician's statements, third party affidavits, etc. to support your reason. Explain what has changed in your situation that will allow you to improve your academic standing.

Federal, State and Institutional Student Aid

Northwest Financial Aid Office requires that students use the Free Application for Federal Student Aid when applying for assistance from federal, state, or institutional financial aid programs. *The FAFSA must be used to apply for state and institutional aid.* The applicant for federal, state, and institutional aid should apply online at www.fafsa.gov. For further information visit the Financial Aid section of the Northwest website at northwestms.edu/financialaid.

Refund Formula for Federal Financial Aid (Title IV) Funds

The Title IV Federal Financial Aid Refund Formula calculation will be implemented for those students attending Northwest and receiving Federal Financial Aid (Federal Grants and Federal Student Loans). This Title IV Federal Refund Formula will only allow a student to receive a percentage of the Federal Grant or Federal Student Loan funds awarded if the student totally withdraws from school before completing 60 percent of the payment period (semester). The proration of Grant/Loan funds awarded the student will be calculated on the number of calendar days the student is enrolled before a total withdrawal occurs. The unearned Grant/Loan funds will be returned to the proper program by the student, the Institution, or both. In many cases, the Federal Grant or Loan recipients that drop out of school before completing 60 percent of the payment period (semester) not only must repay the Grant/Loan program but will also be responsible for paying the Institution money for fees not allowed from Federal Grant or Loan funds. After the 60 percent payment period, the student is eligible to receive 100 percent of the Federal Grant/Loan funds awarded.

Federal Grant/Federal Student Loan recipients withdrawing from the Institution have earned the percentage of total Grant/Loan funds awarded for the payment period indicated below (the formula in brief):

<u>Day of Withdrawal</u>	<u>Percentage Earned</u>
10 th Calendar Day of Semester9%
20 th Calendar Day of Semester17%
30 th Calendar Day of Semester26%
40 th Calendar Day of Semester35%
50 th Calendar Day of Semester43%
60 th Calendar Day of Semester52%
69 th Calendar Day of Semester100%

Distribution Schedule of Unearned Funds that must be returned to Title IV Programs:

Grants

Federal Pell Grant

Pell Grants are awards to help undergraduates pay for their education after high school. For many students, these grants provide a “foundation” for financial aid, to which aid from other federal and non-federal sources may be added. Unlike loans, grants, in most cases, do not have to be paid back.

Pell Grants for the 2018-2019 award year (July 1, 2018 to June 30, 2019) may range from \$740 to \$5,920 depending on a student’s eligibility as determined by a standard formula.

A student is eligible for a Pell Grant if:

- (1) the student has met the general eligibility requirements, (which include having a high school diploma or HSE);
- (2) the student is determined to have financial need based on the Pell Grant formula (This formula uses the information provided on the Financial Aid Application (FAFSA) to produce an Expected Family Contribution Number (EFC). This number is considered, along with the total cost of attending Northwest. Generally, the lower the EFC number the higher the grant award.); and
- (3) the student is an undergraduate student who has not previously received a baccalaureate degree and is enrolled in an eligible program, full or part-time.

Federal Supplemental Educational Opportunity Grant (FSEOG)

The Federal Supplemental Educational Opportunity Grant provides funds to students of exceptional need, who without the grant would be unable to continue their education. FSEOG awards may range from \$100 to \$4,000 depending on funds available.

To be eligible for a FSEOG a student must:

- (1) have met the general eligibility requirements, (which include having a high school diploma or HSE);
- (2) be enrolled at least half-time (6 hours) as an undergraduate student in an eligible program (an undergraduate student is defined as a student who has not previously been awarded a baccalaureate degree);
- (3) demonstrate exceptional financial need; and
- (4) show academic or creative promise and the capability of maintaining good standing in his or her course of study.

Federal Work-Study Program

Federal Work-Study Program

The Federal Work-Study Program is authorized under Title IV of the Higher Education Act of 1965. The primary purpose of the Federal Work-Study Program is to stimulate and promote part-time employment for students. The program is designed for those students who are in need of earnings to pursue their course of study at Northwest. Primary consideration for work-study is given to those students with the greatest financial need and who live in campus housing.

The number of hours a student will be eligible to work will depend on demonstrated need, class schedule, and academic progress and the amount of funds available in the work-study program.

To be eligible for work-study a student must be enrolled in an eligible program at least half-time (6 hours) at Northwest; however, work-study awards are usually limited to full-time (12 hours or more) students. Additionally, as with all student assistance, students receiving work-study jobs must show evidence of making academic progress.

To apply for federal college work-study, students must indicate interest for work-study when filing the Free Application for Federal Student Aid and also submit a work-study application, located on the Northwest website under the Financial Aid section. Students filing for any type of financial aid should be prepared to furnish the Financial Aid Office with a copy of the student's and parents' previous year's IRS tax return transcript or use the IRS Data Retrieval Tool when filing their FAFSA application.

Work-study monies are paid to students every four weeks as they work. Students' earnings are applied to their expenses if the necessary credit arrangements have been made with the institution's Business Office.

The Institution has designated certain departments as Community Service work areas. Work-study applications are taken during specific times each semester. See northwestms.edu/financialaid and then select Workstudy for access to the application and job descriptions.

Loan Programs

Federal Direct Student Loan Programs (Subsidized and Unsubsidized)

The Federal Direct Student Loan Program enables a student to meet his educational expenses by borrowing from the Department of Education at a low interest rate, if the student is enrolled at least half-time (6 hours) in an eligible program of study. Freshmen students may borrow up to \$3,500, and sophomore students may borrow up to \$4,500 per year. Students must show eligibility by filing the Free Application for Federal Student Aid.

Before a Federal Direct Loan acceptance form can be processed by the institution, the results of the FAFSA must be received and completed by the Financial Aid Office. Therefore, it is always important to file for student aid early. Students interested in filing for a Federal Direct Student Loan should visit the Financial Aid loan section of the Northwest website at northwestms.edu to submit their online loan acceptance form, master promissory note, and entrance counseling.

Federal Direct Parent Loan for Undergraduate Students (FDPLUS)

The FDPLUS loan program is a non-need based source of loan funds for parents of dependent undergraduate students. The FDPLUS loan will have a variable interest rate. The variable interest rate will be determined by the Secretary of Education and will become effective on July 1 of each year. Loan limits are based on the cost of attendance minus any other aid awarded. Students must show eligibility by filing the Free Application for Federal Student Aid.

State Grants

Mississippi Resident Tuition Assistance Grant and Mississippi Eminent Scholars Grant (MTAG, MESG)

General eligibility requirements are as follows:

1. Student must be a current legal resident of Mississippi as certified by the college's Registrar.
2. Student must be accepted for enrollment in a minimum of 15 semester hours at any two-year or four-year, public or nonprofit, regionally accredited, state approved, college or university in Mississippi.
3. Student must maintain continuous enrollment of not less than two semesters or three quarters in each successive academic year unless granted an exception for cause.
4. If a student drops below full-time status during a semester or quarter of the

- academic year, that student is ineligible to receive funds during the following semester or quarter of the regular academic year.
5. No student may receive an MTAG or MESH for longer than the equivalent semesters or quarters required to complete one (1) undergraduate degree per institution [i.e., eight (8) semesters or equivalent quarters for a four (4) year degree; ten (10) semesters or equivalent quarters for a five (5) year degree; four (4) semesters for a two (2) year degree].
 6. Awards are dependent on availability of funds and are subject to proration.
 7. Student must not be currently in default on an educational loan.
 8. Student must file the Free Application for Federal Student Aid (www.fafsa.gov) each year as well as complete an updated MTAG/MESH online application at www.riseupms.com.
 9. Questions can be directed to IHL at 1-800-327-2980.

- ~ A student who will not be receiving a full tuition waiver/award from another state financial aid source

The Higher Education Legislative Plan (HELP) Scholarship provides full tuition to all qualified, college-bound state residents who apply for the payment thereof and enroll full time at any eligible Mississippi public institution of higher learning or eligible Mississippi public community/junior college to pursue a first baccalaureate or first associate undergraduate degree.

The annual award amount for the HELP Scholarship varies, since it is the actual tuition charged by individual Mississippi public institutions or Mississippi public community/junior colleges. If all eligibility requirements are met, a student may receive this scholarship for 10 semesters or 15 trimesters.

There is no repayment of this scholarship if eligibility is lost.

The number of awards and recipients are dependent upon availability of funds, and awards will be made on a first-come, first-served basis. Applications for the HELP Scholarship received on or before the priority date of March 31 of the school year that the applicant desires aid will be given first consideration in the award process.

Mississippi Law Enforcement Officers and Firemen Scholarship Program

Eligibility Requirements:

- ~ Current legal Mississippi resident
- ~ Enrolled as a full-time student at a Mississippi state-supported college or university
- ~ Spouse or child of full-time Mississippi law enforcement officer or fireman/firefighter who was fatally injured or totally disabled from injuries which occurred while performing official duties

The Mississippi Law Enforcement Officers and Firemen Scholarship Program offers scholarships to the spouses and children (natural, adopted, or stepchildren) of full-time Mississippi law enforcement officers and the spouses and children of full-time Mississippi firemen/firefighters who were fatally injured or totally disabled from injuries which occurred while performing official duties.

Under the program, the amount of assistance available is tuition plus the average cost of a dormitory room plus required fees plus applicable course fees. The Scholarship does not include educational expenses such as books, food, school supplies and materials, school dues or fees for extracurricular activities. Recipients are entitled to eight semesters of scholarship assistance; however, children are only entitled to the Scholarship until the age of 23.

There are no service/repayment requirements for this Scholarship.

Northwest Work-Study Program (NWWWS)

A limited number of jobs are available under the college's work-study program. Basically the Northwest program is designed to enhance services at the college while also providing work experience for students with moderate financial need.

Scholarships

All scholarship recipients must file the Free Application for Federal Student Aid (www.fafsa.gov). Academic Scholarship forms must be completed by April 1. A scholarship may be altered by the amount of federal financial aid awarded. Scholarship recipients must enroll in and maintain 15 semester hours. Contact the Recruiting Office for all Academic Scholarship information.

Presidential Scholarships – These scholarships are awarded to students based on ACT scores. Recipients must be entering freshmen and must enroll in and maintain 15 semester hours as well as the required cumulative grade point average. These scholarships will be awarded in the amount of one fourth per semester. Awards will be made as long as funds are available.

June S. Gardner Scholarships – These scholarships are awarded to in-state high school valedictorians and salutatorians. Recipients must be fall entering freshmen and must enroll in and maintain 15 semester hours as well as the required cumulative grade point average. Awards will be made as long as funds are available.

Leadership Scholarships – These scholarships are limited in number and are awarded to in-state students who exhibit leadership abilities, have special skills or talents, a specific ACT score, and/or have strong academic qualities. Recipients must be fall entering freshmen and must enroll in and maintain 15 semester hours as well as the required cumulative grade point average.

Adult Student Scholarship – These scholarships are limited in number and awarded to Mississippi residents. Applicants must be 25 years of age and must enroll in and maintain 15 semester hours. Scholarship applications are reviewed by a committee and awarded based on financial need, credit hours previously earned and academic achievement.

Howard Carpenter High School Equivalency Scholarships – These scholarships are awarded to the residents of the Northwest district who have scored 600 or above on the GED test or 75 or above on the HiSet. Awards are for entering freshmen. Recipients must enroll in and maintain 15 semester hours as well as the required grade point average of 2.0 during their enrollment. Application information must be completed prior to the start of a semester.

Cheerleader Scholarships – A limited number of cheerleader scholarships are available. For specific information, contact the Cheer Sponsor.

Athletic Scholarships – Grant-in-aid scholarships in football, basketball, baseball, softball and soccer are awarded in accordance with the rules and regulations of the Mississippi Community/Junior College Association. Scholarships are awarded by the respective coaches of each sport based on the talent of the athlete and the needs of the program. These scholarships may be used to defray the costs of tuition, room, and/or board only.

Band Scholarships – Scholarships for participation in the Northwest Ranger Band are available for the musically talented student. They are awarded after tryouts before the Band Director. Recipients must enroll in and maintain 15 semester hours and must maintain a 2.0 cumulative GPA.

Art Scholarship – This scholarship is available for a student studying art. It is awarded based on work judged best of all entries in a competition. Instructors in the Art Department serve as judges for the competition. The recipient must enroll in and maintain 15 semester hours, be an entering freshman, and must maintain the required cumulative grade point average.

Speech/Theatre Scholarship – This scholarship is available for a student studying Speech/Theatre. It is awarded based on an audition with the instructors in the Speech/Theatre Department. The recipient must enroll in and maintain 15 semester hours, be an entering freshman, and must maintain the required cumulative grade point average.

Music Performance Scholarships – These scholarships are available for students talented in vocal or keyboard music. They are awarded based on auditions with the choral director. Recipients must enroll in and maintain 15 semester hours and must maintain a 2.0 cumulative GPA.

Student Publications Scholarships – These scholarships are available to full-time students with abilities, interests, and/or experience in journalistic areas. Applications may be obtained in the Ann Y. Whitten Media Center on the Senatobia campus. Scholarship or part-time employment is based on the student's individual needs subject to budget approval.

Scholarships for Children of Employees – All children of full-time employees of Northwest Mississippi Community College are eligible to receive the cost of tuition scholarship while attending Northwest. The basic guidelines are as follows:

1. The scholarship is for tuition per semester.
2. A 2.0 cumulative grade point average must be maintained.
3. The scholarship is available only to the children (age 24 years and under) of full-time staff, faculty and administrative personnel.

Henry Womble Memorial Scholarship – This scholarship is awarded to a deserving disabled student who is a Mississippi resident with need. The recipient must be a full-time fall entering freshman, have a medically-documented disability, provide two letters of recommendation from teachers or counselors, and maintain the required cumulative grade point average.

SCHOLARSHIPS FUNDED BY THE NORTHWEST MISSISSIPPI COMMUNITY COLLEGE FOUNDATION

Through the generosity of individuals, corporations, and civic organizations, scholarships are available through the Northwest Mississippi Community College Foundation. There are two types of Foundation scholarships: endowed and annual. In an endowed scholarship, the endowed principal is held in sacred trust in perpetuity (forever) with scholarships being awarded from the interest earned. In an annual scholarship, the funds are contributed to the Northwest Foundation, and those same funds are disbursed in the school year in which they are received.

Students must submit a Foundation Scholarship Application Form, available from the Foundation Office, the Recruiting Office or online at www.northwestms.edu. Each application must be accompanied by a resume and one letter of recommendation. The application must be received by the Foundation Office no later than 5 p.m. on April 1. Unless otherwise noted, only Mississippi residents may receive Foundation scholarships.

The selection is made by the Northwest Foundation Scholarship Selection Committee, which includes members of the Northwest faculty and administration and at least one member of the Northwest Foundation Board of Directors. Scholarship recipients will receive notification by May 15. After notification, the scholarship recipient must meet with the Director of the Northwest Foundation prior to registration to obtain complete necessary acceptance forms. For additional information, write the NWCC Foundation Office, P.O. Drawer 7015, 4975 Highway 51 North, Senatobia, MS, 38668, call (662) 560-1103 or email srcanon@northwestms.edu.

Foundation scholarships are awarded according to the criteria designated by those who contributed the funds to establish the scholarships. Additional criteria, in addition to the primary criteria, are listed in parentheses. Students must be full-time students and maintain specified grade point averages, which range from 2.0 to 3.25, according to the criteria of the individual scholarships.
