=====

The student I worked with:

- attends sessions and keeps me informed and up-to-date on all class assignments.
- is showing progress as a result of tutoring.
- is not showing progress as a result of tutoring.
- seems to feel positive about the tutoring sessions.
- seems to comprehend my explanation.
- seems to study regularly.
- seems bothered by something other than his/her academic problems.

As a tutor, I:

- feel comfortable with this student.
- feel that this student feels comfortable with me.
- am making progress with the student.
- am able to help the student meet the demands of the course on schedule.
- would like a conference with the Tutor Coordinator and/or Counselor.
