Surgical Technology is a two-year program offered at the Lafayette-Yalobusha Center in Oxford; and the student will receive an Associate of Applied Science degree upon successful completion of the required curriculum.

ADMISSION REQUIREMENTS

1. The applicant shall be at least 18 years of age

2. The applicant must be a high school graduate (diploma) or have made equivalent scores on the GED test. A transcript of all previous schooling must be on file. ACT scores are required for applicants under 21 years of age.

3. The applicant shall make satisfactory scores on the Otis-Lennon and Adult Basic Education Tests. These tests are given at Lafayette-Yalobusha Technical Center. Test dates will be mailed to each applicant.

4. After testing, the applicant shall appear before an Admissions Committee for review of qualifications.

5. If accepted into the Surgical Technology program, the applicant must have on file a health examination certificate; a record of immunizations, and a Criminal History Background Affidavit.

## ESTIMATED COST OF 1st YEAR SURGICAL TECHNOLOGY PROGRAM

### FIRST SEMESTER:
- **TUITION** .......................................................... $975.00
- **PARKING DECAL** .............................................. no charge
- **LAB FEES** ......................................................... no charge
- **BOOKS** .......................................................... 400.00
- **CPR (First Aid)** ................................................ 20.00
- **UNIFORMS** ....................................................... 150.00
- **INSURANCE** ..................................................... 15.00
- **AST MEMBERSHIP** .......................................... 40.00

**TOTAL FIRST SEMESTER** ........................................ $1,600.00

### SECOND SEMESTER:
- **TUITION** .......................................................... $975.00
- **LAB FEES** ......................................................... no charge
- **GRADUATION FEE** .......................................... no charge

**TOTAL SECOND SEMESTER** ................................... $975.00

### SUMMER SEMESTER:
- **TUITION** .......................................................... $975.00
- **LAB FEES** ......................................................... no charge

**TOTAL THIRD SEMESTER** ...................................... $975.00

**TOTAL ESTIMATED COST OF 1st YEAR SURGICAL TECHNOLOGY PROGRAM** ........................................... $3,550.00
Surgical Technology is an instructional program that prepares an individual to serve as a member of the surgical team to work with surgeons, anesthesiologists, certified registered nurse anesthetists, registered nurses, and other surgical personnel in delivering patient care and assuming appropriate responsibilities before, during, and after surgery. This program includes the education of all aspects of surgical technology including the role of second assistant and circulator.
